

Mokena Grade Pupils to Stage "Snow White"

The spring operetta staged by the sixth, seventh and eighth grade pupils of the Mokena grade school will be presented at that institution tomorrow night. Curtain time is 8 o'clock.

"Snow White and the Seven Dwarfs," is the production. The youngsters have been busy with rehearsals for week under the direction of Glenn L. Miers, and are now ready for public presentation of the piece.

Really the first public presentation was in the form of a dress rehearsal for the benefit of the student body. With most of the pupils attending this performance there will be more room for adults tomorrow night.

Tickets are being sold by members of the school chorus and proceeds will be applied on the purchase of risers—those step-like affairs that are used to elevate the ranks of a group one above the other—for the choir. Tickets also may be purchased at the door of the school auditorium tomorrow night.

Principals in the cast are Gayle Harling as Snow and Allen Schultz as the Prince; Elizabeth Gibson and Thomas Powers as Nibbles and Nutty, play mates of Snow White; George Gibson, as the King, Snow White's father; Sharon Cappel as Snow White's mother; Barbara Dougherty, Snow White's step-mother; Virginia Wilder doing the magic mirror; William Seavertson as the court doctor; Larry Redford, a woodsman and Jerry Haehnlein, Paul Machalek, John Kropp, David Hall, William Sluis, Mark Mueller and Joe Johnson the Seven Dwarfs, and there will be numerous youngsters cast for such parts as flowers, elves, courtiers, ladies-in-waiting, sunbeams, guards and townspeople. Sue Ann Shoop and Kay Swinford are accompanists.

There are two operettas given each year, at Christmas and in the spring. Mr. Mier explained that increased enrollment has made it impractical to use the entire student body in the Christmas production. Because of that the spring show was inaugurated.

In the operetta last Christmas youngsters from the first five grades supplied the talent. Now it is the turn of the older pupils, those from the three upper grades.

New Fare Rates On Rock Island Effective Sunday

The Illinois commerce commission in an order handed down last Thursday, granted the Rock Island Railroad an overall 15 percent increase in suburban fares. The new rates will become effective at 12:01 a. m. Sunday, April 8. One way fares are up to 10.

The hearings had begun in February and ended early this month.

The 15 percent increase will bring a \$25,000 per-earned commutator revenue increase per year. But with the necessary change in accounting entries because of the increase, it will actually amount to \$612,500 per year.

The company estimates it will have a net profit of \$62,544 due to the increase, because they will have to deduct \$549,956 in wage increases from the total amount.

The suburban road which covers 40.2 miles between Chicago and Joliet, including a branch from Gresham to Blue Island, also serves Robbins, Midland, Oak Forest, Tinley Park, Mokena, New Lenox and Joliet. Minimum fares were hiked from 15 to 20 cents.

The unrestricted monthly rate is up 20 percent under the order and the breakdown on other increases runs thusly:

46 ride monthly rate up 20 percent.
12 ride weekly rate up 13 to 20 percent.
10 to 25 ride yearly rate up 9 to 15 percent.
46 ride monthly rate up 10 percent.

Hold Rites for Evelyn Knater

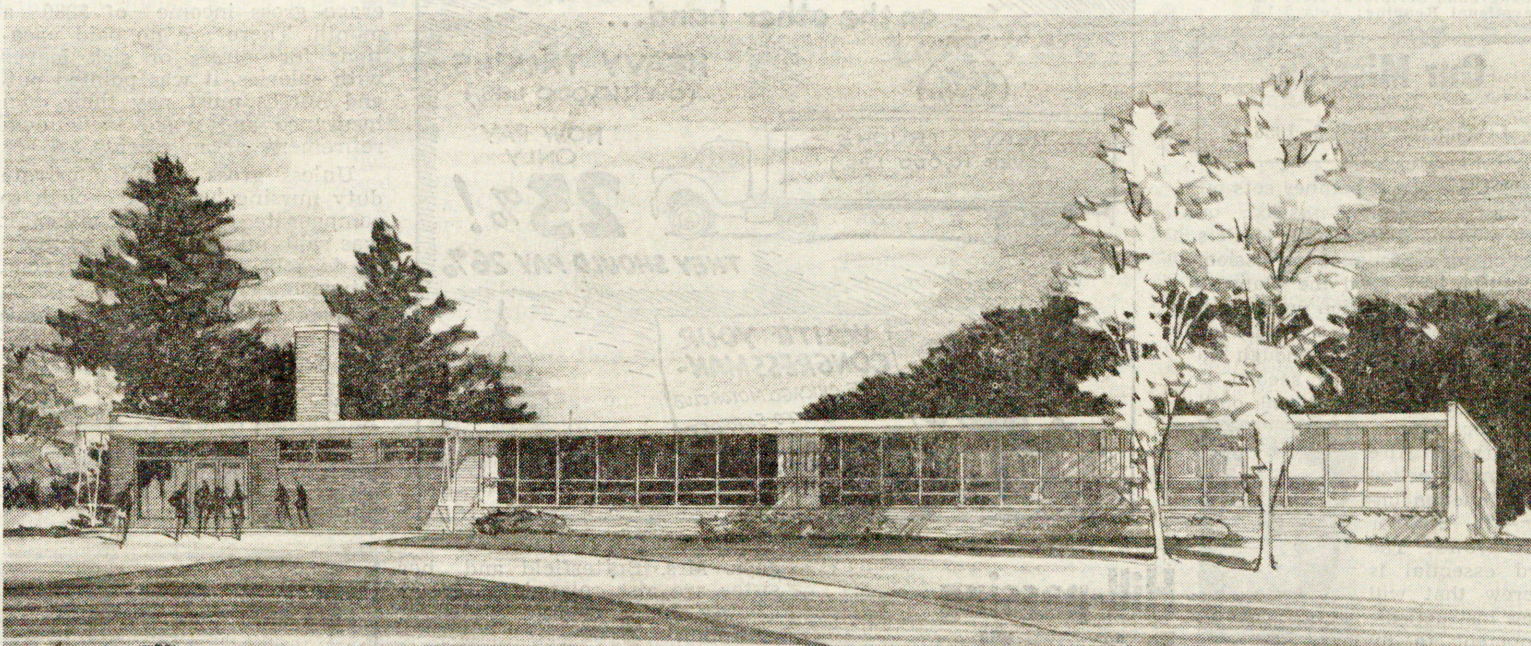

Last rites for Mrs. Evelyn Pfaff Knater, late of 118 Herkimer st., Joliet, were held yesterday at the Gerald Dames & Sons funeral home with the Rev. William B. Hill, pastor of the First Baptist church, officiating. Burial was in Pleasant Hill cemetery, Frankfort.

Mrs. Knater, who was 50 years old, died Sunday, April 1, at St. Joseph's hospital, Joliet, following a long illness.

She was a native of Frankfort as is her husband, Gilbert A. Knater, a lieutenant in state police who is assigned to the Joliet district.

Besides her husband, Mrs. Knater is survived by two brothers, Walter and Chester Pfaff of Frankfort, and a sister Miss Sylvia Pfaff of Joliet.

Architects Drawing of Proposed New Mokena Grade School

The picture shown here represents the architect's drawing of the proposed new grade school for Mokena. At a meeting held in the school last night—called by the school board—residents of the community were invited to discuss the proposal to build the new school. The present school plant is outgrown and classes are being held in the educational building of the Methodist church. The citizens of the Mokena school district will vote on the proposed bond issue of \$110,000 to erect the new school at the regular school election April 14. If the bonds are approved the architectural firm of Kruegel, Wilkins, Healy and Moore, of Joliet, will proceed at once with the plans.

Son Will Fill Father's Post

In accordance with a ruling of Attorney General Latham Castle, the name of the late Elmer Cooper, will still appear on the ballot as a candidate for precinct committeemen in Mokena.

Immediately after Mr. Cooper's death, which occurred Feb. 26, his son, Harold, went to the office of County Clerk Joseph Hartley and asked to have the name removed from the ballot, but found the ballots were already printed. Hartley consulted State's Attorney Frank H. Masters, Jr., who in turn obtained an opinion from the attorney general.

Similar situations have arisen in the past in various parts of the state, the opinion pointed out, in which it was decreed that the names of candidates must remain on the ballot.

Persons who vote for Elmer Cooper for committeemen in the primary next Tuesday will in reality be voting for Harold Cooper because the Will county Republican central committee has indicated that it will appoint Harold as committeeman to succeed his father, in keeping with precedent.

Friends of Harold Cooper are thus urging the voters to mark their ballots for Elmer Cooper when they go to the polls next Tuesday as a vote for Harold.

Missionaries Back From Africa Will Speak Sunday Night

Missionaries, just returned from Africa, will report on their activities at a meeting in the Calvary Baptist church, Seventh ave., Lincoln Estates, Sunday night, April 8. The meeting is scheduled for 8 o'clock and the public is invited.

Calvary Baptist church has been helping to support the Rev. and Mrs. Donald Calhoun in their work in Africa. They have been stationed in Ethiopia. The Calhouns and their family arrived from Africa on Monday of this week, landing at Boston.

Fire Destroys Old Cleveland Homestead, Landmark in Area

Fire practically destroyed one of the landmarks of Frankfort township last Thursday afternoon.

The building that was burned was the old Cleveland family homestead, now owned by Dr. John Bellucci of Chicago, and stands on the south side of U. S. Route 30 at Wolf road.

It was a two-story frame structure which Dr. Bellucci was having remodeled. Work was almost completed and the house was to be occupied by Norval Strassenberg, who farms the land.

The interior of the dwelling was destroyed. The west section of roof was burned away and the rest of the roof damaged beyond repair. There was a large portion of the floor burned thru above the oil fueled furnace and it was believed that the fire may have started by the heating plant.

There was no one in the house at the time the fire was discovered by a telephone company employe around 4 o'clock in the afternoon. He turned in an alarm to the Frankfort fire department which in turn called for help from the Mokena and New Lenox departments.

There was a strong, icy wind blowing in from the west and it was fortunate there were no buildings immediately to the

Former Mokena Firemen To Be Feted April 11

Members of the Mokena Volunteer Fire Company—as it was then known—between April 19, 1917 and April 20, 1942, are to be honored April 11 at a party to be given at V.F.W. hall, Wolf rd. The affair is to begin at 7:30 o'clock. There will be free refreshments.

Mayor John Scarth said he had been searching the records of the old department so that an invitation list could be compiled. Some of the names might not have been carried in the minutes—there were no complete rosters—the mayor pointed out, so anyone who knows of persons whose names should be on the list are asked to give such information to Mayor Scarth.

The list of former firemen is made up of: Frank Aspel, Joliet; Harold Balaz, John Balaz, Howard Beagle, George Bennett, Anton Beason, Albert Braun, Andrew Bueschle, Charles Burkhardt, Sr., Albert Cappel, Fred Erdman, Elmer Erickson (Mantahatt), Vernon Haag (Cullom), George Hachlein, Fred Hentsch, Barry Hostert, Irvin Howes, Oscar Klose, Ralph Knakmus, Jacob Knapp (New Lenox), Clifford Knudson, Harry Kohlhagen, Roy Krapp, Karl Kraus, Morry Larson, Charles Liess, Will Lynk (Florida), Harry Mall, Edward Martie, John Marti, Willard Martie, Clarence Mast, Harold Miller, Richard Muchler, Willy Muchler, Hugo Neithammer, Erhardt Oswald, Fred Rauch, C. A. Rinke, Paul Rinke, George Rinke, Paul Roesner, Howard Schiebliek, Elmer Shoeneck, Walter Shoeneck, Christie Sipple, Alvin Sorensen, Alvin Spiess, Harold Spiess, Walter Spiess, Fred Steinhagen, Frank Vally (New Lenox), Ervin Warning, Floyd Warning, George Warnemoecker, Stanley Williams and Walter Yunker.

Any man residing in the Mokena community who is interested in fire fighting is invited to attend the affair the night of April 11.

Appropriate \$7,500 to Operate Town Business for Current Year

No tax levy was made for general assistance—formerly known as poor relief—at the annual town meeting of Frankfort town ship which was held Tuesday afternoon at 2 o'clock in the Cooper and Hostert garage at Mokena.

The only appropriation voted was \$7,500 for general town expense.

Accounts on file for public in spection show that the cost of general assistance for the fiscal year ending March 31, 1956, was \$12,184.49, leaving a balance on hand of \$8,525.93, which explains why it was not necessary to levy this year for this purpose.

Recapitulation of the road and bridge fund shows that \$479.14 was the balance on hand as of April 1, 1955 and that amount of funds received during the year was \$17,308.73, making a total of \$17,787.87. Total expenditures were \$17,147.27, which leaves a balance in the road and fund of \$640.60.

Recapitulation of the general town fund shows there was a cash balance on hand April 1, 1955 of \$667.78 and that the amount of money received during the year was \$5,578.56, making a total of \$6,246.34. Total expenditures were \$6,216.13, leaving a balance on hand March 31, 1956 of \$30.21.

A detailed account of all expenditures in the township will be published in the form of a ledger.

Village Officials to Attend Planning Conference at Chicago

Village officials from here and surrounding communities are making plans now to attend a all day conference on metropolitan planning sponsored by the Metropolitan Housing and Planning Council on Thursday, May 3, at the LaSalle hotel, in Chicago. Two New York experts are to be the principal speakers. Luther Gulick, former city administrator of New York City, will address the conference luncheon. Paul Windels, former president of the New York Regional Plan association, will give a major address in the afternoon. Many public officials from Illinois cities and villages will participate in the deliberations.

Mayor Daley of Chicago will open the conference with a welcoming address, and Mayor Robert E. Coulson of Waukegan will respond.

Purpose of the conference is to consider methods and problems of achieving comprehensive planning on a metropolitan basis, particularly in the north-eastern Illinois and Indiana metropolitan area. Ferd Kramer, president of the Metropolitan Housing and Planning Council,

Hold Funeral At New Lenox For Dorothy Schwab

Mrs. Dorothy Schwab, nee Bullard, 43, who had been a patient in Silver Cross hospital for two years, died Monday in the hospital.

She was born in Blue Mound, Ill., and lived in Des Plaines for 12 years before moving with her family to Tulip Lawns farm, west of Mokena, two years ago. Her husband William is employed in the research division of Armour and Company.

Mrs. Schwab was a member

of the Des Plaines chapter, Order of the Eastern Star.

Besides her husband, she is survived by four daughters, Janet, Linda, Joyce and Susan; a son, William Robert; her mother, Mrs. William Bullard, Blue Mound; a sister, Mrs. Harold Wickline, Decatur, a brother, Ralph, Kansas.

Removal will be from the farm home to the New Lenox Methodist church, this noon, April 5, to lie in state until 2 p. m.

When services will be conducted by the pastor, the Rev. George Martin. Burial will be in Maplewood cemetery, New Lenox.

Frankfort Methodists Succeed in Drive for Church Building Fund

Paper Shortage Turns Us White

There is a serious shortage of newsprint in the world today and one result of it now before your eyes.

One might say that it has bled us white but we are still in there publishing altho with a shudder now and then on contemplating the cost.

The issue you now hold in your hands is printed on what is known in the trade as "book paper." We printed on the same stuff last week and expect to continue doing so for some weeks to come until we can again get a supply of newsprint.

Book paper, as you can see, is much whiter and a shade lighter in weight than newsprint. It also costs more—much more. The fact that it is more expensive is why it is available but for how long is another question.

Increased demand for all types and kinds of paper products has taxed the capacity of the paper mills, here, Canada and abroad. They are working seven days a week but the plants aren't big enough to turn out all the paper wanted. In the next two years the paper makers plan to spend 1.3 billions to expand plants, but that, of course, doesn't help now.

Newsprint is in extra heavy (Continued in page 7)

Arrest Marley Youth After Crash That Put 3 in Hospital

Ted Peterson, 19, Rt. 1, Marley, is under arrest as a result of a crash "Sunday" on Rt. 6, some four miles southwest of Joliet. He is charged with being the driver of a car that drove into the rear of a moving car, causing it to roll over. The car Peterson was driving also overturned. He escaped with minor bruises.

Driver of the other car was John Feeney, Jr., 18, of 330 Lime st., Joliet. Feeney was traveling 50 miles an hour when struck from the rear, according to information given by Deputy Stanley Drake and Keith Hossack. Both cars were traveling toward Joliet. Feeney's car was knocked off the road, into a tree and then overturned.

The car Peterson was driving, which was owned by Anthony Skoff, Jr., 18, of 505 Abe st., Joliet, also rolled over. Peterson had a Morris youth with him who escaped injury. Another passenger, Kenneth Gordon, 16 of 209 Maple st., lost three teeth, and was hospitalized. Feeney has a possible fracture of the left ankle, possible internal injuries and multiple bruises. He is confined to St. Joseph hospital, Joliet. Also hospitalized is a passenger in his car, Edward Loughran, 18, of 1220 Sterling ave., Joliet. Loughran has a sprain or fracture of the left ankle and injuries to his chest, back and arms.

Peterson's case has been continued ten days by Justice of the Peace George Williams. Peterson is charged with failure to have his car under control and causing an accident.

The annual meeting of the Housing and Planning Council will be held at the luncheon session.

Mayors, other public officials, civic, commercial and industrial leaders from all the cities and villages in the five-county metropolitan area, as well as North western Indiana, will participate in the discussion. The committee is coordinating its work closely with that of the Randolph Commission.

The annual meeting of the Housing and Planning Council will be held at the luncheon session.

Pastors to Exchange Pulpits this Sunday

Rev. John M. Phillips of the First Congregational church of Lockport and Rev. William J. Riemann of the St. John's Evangelical church of Mokena will exchange pulpits on next Sunday morning. In the evening the Sunday Evening club of the Mokena church will be host to the O.M.B. Couples club of the Lockport church at a pot lunch supper at 7 o'clock.

Such pulpits exchanges and fellowship meetings are being held across the country to foster a feeling of unity at the grass roots between the two denominations which are scheduled to unite into one church next spring under the name of "The United Church of Christ."

The congregational churches held the tradition and church policy of the Pilgrim Fathers, while the Evangelical and Reformed church have successfully combined and reconciled Reformed and Lutheran church life and doctrine across the country.

Voters to Pick Candidates in Primary Tuesday

Will county voters will go to the polls next Tuesday to nominate candidates for national state, district and county offices to be filled in the general election next November.

There are no contests on the Republican ticket for county offices. The candidates, all incumbents, are: State's Attorney Frank H. Masters, Jr.; Circuit Clerk, Paul V. Wunder, Jr.; Recorder of Deeds, Robert L. Spreitzer; County Auditor, Martin Lundquist and Coroner William G. Blood. Observers point out that all have excellent records.

There are four candidates opposing Gov. William G. Stratton who is seeking re-election but those versed in politics pick Stratton as an easy winner.

U. S. Senator Everett Dirksen is unopposed.

The Republicans will nominate two for state representative and there are but two candidates, Speaker of the House Warren L. Wood of Plainfield, and Louis F. Bottino, of Lockport.

The Democrats have two tickets in the field in the county and district. The Democrat county central committee and the faction headed by State Representative Francis J. Loughran have been feuding for years and are still battling it out in the coming primary. John J. Clemens, Jr., of Joliet, is running for state representative as the organization's choice. Loughran also is seeking re-election. Both men will be nominated but a Republican victory in fall will mean that one of them will be beaten and Loughran has no intention of it being him.

The organization's county ticket is made up of Anton Mutz, for state's attorney; Julius Forneris, for circuit clerk; Katherine Archambeault, for recorder

of deeds and Donald J. Conroy for county auditor.

The ticket backed by Loughran is made up of: Raymond J. Harvey, for state's attorney; Joseph E. Fitzgerald, for circuit clerk; Lee J. Meehan, for recorder of deeds; Emory P. Stiglich for county auditor and Ralph J. Papeash for coroner.

On the Democrat state ticket Herbert C. Paschen, county treasurer of Cook county and the organization choice for governor is opposed by Morris B. Sachs, Chicago city clerk and clothier.

There are 116,000 units of government in the U. S., more than 2,000 distinct segments of Federal Government.

of deeds and Donald J. Conroy for county auditor.

Church Building Fund Campaign is Success

The campaign for funds to build a new church on a new site which was launched less than a month ago has been most successful, it was reported by those in charge. Organization of the campaign began March 9 but actual solicitation of funds did not begin until after the loyalty dinner March 23. The final report meeting was held last Friday night, March 30. At that time, as the score board indicates, \$72,470 had been subscribed, which is considerable over the original goal of \$60,000 and not too far short of the raised quota of \$80,000. Since that meeting more money has come in and the last total reported is \$72,942. This was a big job and the results are very pleasing to the congregation. The men here with the victory smiles are (left to right) Wendell Morrison, chairman of the canvassing committee; Albert W. Stutek, chairman of the teams committee; Dr. Claude W. Otto, general chairman, Arthur C. Bauch, initial gift chairman; Ralph Dralle, special gifts chairman and the Rev. Ben F. Day, pastor.

WTTW to Show Teaching Methods Employed by TV

A special telecast on teaching by television will be presented by Chicago's educational, non-commercial television station WTTW on Channel 11 from 2:45 to 3:15 p.m. on April 5.

The special program is being presented in conjunction with the annual meeting of the North Central Association to be held at the Palmer House and has been designed to acquaint educators present with the possibilities of television as an aid to teaching. The program will be presented in the following four segments: 2:45 to 3 p.m. What's Inside a TV Studio.

3 to 3:15 p.m. Demonstration of a secondary school program.

3:15 to 3:30 p.m. Demonstration of a college level program in geography.

3:30 to 3:45 p.m. Questions and answers. Questions from viewers at the Palmer House meeting will be phoned to Station WTTW and answered over Channel 11.

Teaching of another foreign language over Chicago's educational television station WTTW on Channel 11 will begin on Monday, April 16 from 8 to 8:30 p.m. "Ecco L'Italia," instructions in basic Italian will be taught in a ten week series. Words and phrases relating to life and travel in Italy will be taught.

Barge shipment of coal in the ports of New York, Philadelphia, Baltimore and Chicago totals around 25 million tons a year, according to recent statistics.

Rock Island Will Award Two Scholarships

Two more university scholarships will be awarded by the Rock Island Lines this fall.

The railroad's board of judges will meet in late June and announce the winners. The scholarship program was set up in the spring of 1953 and thus far seven winners have been selected.

Four-year university scholarship awards are open to any Rock Island employee or the son of an employee. An applicant must necessarily be a high school graduate and not over 25 years of age.

The railroad provides \$500 per year to apply on tuition and books providing, of course, the student meets the scholastic and other requirements of the college he attends.

G. E. Mallery, chairman of the board of judges, points out that applicants should be seeking an education in engineering, preferably civil, mechanical, electrical, general or industrial.

When the winners have completed their college studies they will be given an opportunity to accept positions with the railroad. This is not a prerequisite in determining the selection of candidates, however.

Applicants are requested to send a summary of their extracurricular activities while in school and of their part-time and summer employment. They should also ask their high school principals to forward a transcript of their high school credits. This information should be addressed to G. E. Mallery, Room 929, LaSalle Street Station, Chicago, and should reach him no later than June 15, 1956.

Devotional Reading: Acts 2:1-8

Our Mission

Lesson for April 8, 1956

WHEN a great bomber sets off on a military mission, or when a plane loaded with leaflets takes off for a propaganda mission, no matter how good the plane is otherwise, the mission will be a failure without three essentials for success. One is gas enough to reach the target. The second is an engine that will not "conk out" going or returning.

When the winners have completed their college studies they will be given an opportunity to accept positions with the railroad. This is not a prerequisite in determining the selection of candidates, however.

The Mission of the Church

One of the last words Jesus uttered before his Ascension was "Go." But what is a going church? Sometimes all that is meant by that expression is simply a church that has meetings once in a while. But that is not the idea Christ had in mind. The original Christian church had meetings, and good ones they were; but it began to go after the meetings were over and the disciples scattered everywhere, bringing the Word, the good news of God's love, the good news about Jesus. The church was going when it was growing; going when it took the message to new places and to people who had never heard it before. A going church, in short, is a missionary church. Some people don't like the word "missions." It seems to carry or suggest the idea of superiority. Not at all! We do have a superior article, the Christian faith and life. But we do not have to be conceited about it. Does a salesman have to be conceited if he is selling the best line on the market? Does a doctor have to be conceited about prescribing the best drugs yet invented? We did not invent our religion. God gave it to us. He gave it to us to keep and to share; and if we do not share it we shall hardly keep it.

Power of the Spirit

Going back to that airplane a moment: Enough gas, plus an efficient engine, spells POWER. No matter how good the intentions are, without the power everything collapses. So it is with the church. Our mission has been set by God himself. But when the church takes off with its tanks empty, and some home-made do-it-yourself tinkered-up sewing machine in place of a good engine, it will never accomplish its mission no matter how good it is. Wanting to reach the target is not enough. Don't we all pray, "Thy Kingdom come on earth...?" That is a missionary prayer. Don't most churches offer prayer for missions, and even take up offerings for missions? Yet any one who knows the church will tell you that the church's missionary responsibility is shirked and slacked. We play at missions. We leave millions on millions without a ray of Gospel. The record of many a congregation, if you looked at it, would never suggest that that church knew much or cared much about what Jesus said on his church in his solemn last words: "Go—into all the world!" The trouble is that the Church does not have the power. It could have the same power the first Christians had, the power of the Holy Spirit. Only a Spirit-filled church is going to be much of a missionary church.

Power of Testimony

The other necessity of the plane on a "mission" is personnel. Power alone is not enough. There must be men who are prepared to use that power. Now Christians individually, or the church at large cannot "use" the Holy Spirit, for no one can use God. But God's power is not poured out on just anybody (as many stories in the Bible show). His power comes to those who devote themselves to him and his cause. The early church waited for the Spirit, waited for power; but once they had received it they proceeded to carry out Jesus' directive: Go into all the world! A Christian or a church that wants God's power for selfish reasons, will not be given it. A Christian, or a church, that prays for God's power so as to be able to witness for him, so as to win others for him, will find that prayer answered. The power will come. If the church today is making too feeble a mark on one world, is it because the church does not seek true spiritual power for true spiritual service? (Based on outline copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A. Released by Community Press Service.)

Hill-passing Driver Flees After Fatality

A woman was killed and three others seriously injured in an automobile crash on U. S. Rt. 45, a mile and a half south of Rt. 30 last Friday night. An unidentified motorist who passed two southbound cars on a hill and was speeding head on toward a northbound vehicle, is blamed for the accident.

He went into a ditch, came out and fled southward, according to the account given State Police Officer Herman Becker who investigated the crash.

The victim was Mrs. Ruth A. Butterfield, 61, of Elmhurst. She was a passenger in a car driven by her husband, Frank E., 61, of the Commonwealth Edison Co. Also a passenger in the car was her sister, Miss Mary K. Blatt, 63, of Springfield, a school teacher.

Mr. Butterfield and Miss Blatt were taken to Silver Cross hospital in Joliet in the Gerald Dames and Sons ambulance, suffering from head, chest and body injuries. Also injured was Raymond Carpenter, 41, a widower, of Chicago. He had head, eye and possible chest injuries.

The Butterfields had been visiting Daniel Blatt of near Peotone and were enroute to Elmhurst to spend the Easter holidays.

days. Mrs. Butterfield and her sister are also related to former County Judge George Blatt, Sr. of Joliet.

Butterfield was near the crest of a hill when a red and white car came over the rise in his lane, passing Carpenter, and a car traveling behind Carpenter, driven by Paul Diesing, of Champlain, Butterfield swerved to the left to avoid a collision with the hill-passer and collided with Carpenter's car. Diesing then crashed into the rear of Carpenter's automobile.

Pay Scale for Private Nurses To Advance \$1

Effective April 15 the pay for private duty registered nurses in the second district—of which Will county is a part—will be \$16 for an eight hour shift instead of \$15.

This announcement was made by Mrs. Gertrude Hettman, of Joliet, chairman of the private duty nurses section, second district, of the Illinois State Nurses Association. The second district is made up of six counties: Will, Kane, Kendall, Grundy, DeKalb and McHenry. Mrs. Hettman said that in several neighboring districts the \$16 schedule has been in effect for several years.

The nurses decided on the in-

crease of \$1 a day, Mrs. Hettman said, after investigation indicated that it was necessary from two standpoints, the nurses and the public.

Private duty nursing must be as financially attractive as other assignments, it was pointed out, or there won't be enough nurses in the field to meet the demand.

Unless gross fees for private duty nursing are high enough to compensate for this situation, it was said, nurses are apt to move on to jobs with better financial returns.

Hospitals and doctors have been notified of the nurses' decision.

The 1955 rise in coal exports emphasizes that 90 per cent of all coal shipped from tidewater ports for New England and over seas leaves from Hampton Roads, Va.

Tornadoes usually move in a northeasterly direction at 25 to 40 miles an hour.

Gene Bennett of Frankfort Weds Miss Judith Thompson, Oak Park

Miss Judith E. Thompson, daughter of Mr. and Mrs. William J. Thompson of Oak Park and Gene G. Bennett, son of Mr. and Mrs. Clark W. Bennett of Frankfort were married March 17 at 4 o'clock in the Willard Memorial Methodist church, Oak Park. The Rev. Merle Broyles, pastor, officiated at the double ring ceremony.

Baskets of white flowers decked the chancel as the bride approached the altar on the arm of her father. She wore a waltz-length gown of white lace, fashioned with a fitted bodice, short sleeves and a full skirt; her finger tip veil was caught to a pearl tiara. She carried a bouquet of stephanotis centered with a single white orchid.

Miss Barbara Ross, as maid of honor, wore a dress of light blue nylon chiffon. Mrs. Mac Carson, sister of the bridegroom, and Miss Carol Ratzke, were bridesmaids and wore dresses of cotton blue nylon chiffon; their headpieces were of blue feathers and they carried colonial bouquets of pink stephanotis.

Bruce Lentz was best man and "Sometimes a man pulls the wool over his wife's eyes with the wrong yarn."—Joe Marsh.

Tinley Park Woman's Club Holds Reception for First President

Mrs. Charles Nielsen, the first president of the Tinley Park Woman's club was one of the honored guests at the reception and tea held Wednesday in the Tinley Park school. Mrs. Walter Tichelberg and Mrs. Melvin Rensink, also former presidents, were introduced by Mrs. Voris Miller and received corsages.

Mrs. William McLain, chairman of the nominating committee read the report on the new officers to be elected at the April meeting.

Eleven new members were welcomed by the club and Mrs. D. W. Gruber, federation extension chairman, was assisted by Mrs. Lewis Sawyer in presenting corsages to Mrs. Irwin Johnson, Mrs. Walter Fierke, Mrs. Edwin Hug, Miss Olive Pillsbury, Mrs. Robert Marshall, Mrs. Ray Hill, Mrs. Robert Rich, Mrs. Arthur Malmborg, Mrs. Benton Moore, Mrs. Nicholas

New Lenox Man, California Girl Exchange Vows

William Dale Christensen of Santa Barbara, Calif., formerly of New Lenox, son of Mr. and Mrs. Clarence Christensen of New Lenox, was united in marriage Feb. 2 with Miss Faye Corrine Nield, daughter of Mr. and Mrs. Donald E. Nield of San Gabriel, Calif.

The wedding took place in the Trinity Lutheran church in San Gabriel at 8 p.m. with the Rev. Walter Mess officiating at the double ring ceremony.

Two large baskets of mixed white bouquets decorated the church altar, as well as palms and two lighted candelabras.

Mrs. Dolores Entriiken, organist accompanied Miss Bernice Lavars when she sang "With These Hands," "Because," and "O Precious Love."

Given in marriage by her father, the bride wore a cantilly lace and tulle gown with V-neckline, tight fitted bodice accented with sequins, and seed pearls, long tapering sleeves and bouffant skirt worn over a Dior hoop that ended in a chapel train. Her fingertip veil held in place by a lace cap studded with rhinestones. Her strand of pearls was a gift of the bridegroom. She carried a colonial bouquet of white carnations and sweetpeas.

Miss Carol Nield attended her sister as maid of honor. Bridesmaids were Miss Peggy Robertson and Miss Dorothy Edmondson. The attendants were attired in aqua-colored waltz-length gowns of crystalettes, fashioned with bateau neckline, long waistline and full skirts over hoop. Completing their outfits were matching slippers and matching crystalettes caps. They carried bouquets of pink carnation and sweetpeas, and wore single strand necklaces of pearls, gifts from the bride.

Best man was Dan Hogan and ushers were Lee Hook, and John Ziolkowski.

For her daughter's marriage, Mrs. Nield chose a soft pink sheath dress with matching accessories and a corsage of deep pink camellias. The bridegroom's mother chose a navy blue lace over taffeta dress with pink accessories and an orchid corsage.

More than 200 guests attended the reception held immediately after the ceremony in the home of the bride's aunt and uncle at 6755 Vista st., San Gabriel. A supper was served at 11 o'clock to 60 close friends and relatives at the home of the bride's parents.

Following their wedding trip to San Clemente, Calif., the newlyweds set up housekeeping in an apartment at 323 Arrellaga St., Santa Barbara, Calif.

The groom is employed at the Public Loan Co. in Oxnard, Calif.

Girl Scout News
The regular meeting of the Girl Scout Neighborhood adult workers was held March 27 with Mrs. Elmer Knudsen presiding. Mrs. Chas. McCutcheon was appointed delegate to the annual council to be held May 10.

After a period of discussion led by Ava Funk, who brought out the necessity of the Scouts having a camp kit, it was decided that each troop should contribute toward it. Mrs. Funk also presented the need for counselors at both Day camp and Camp Manistee.

Mrs. Alice Cheney reported on the progress of the Gypsy Baskets, also plans for the roller skating party which will be held May 24 at the Tinley roller rink.

Mrs. Sarah Johnson stated the Cookie Sale will be April 21 at various locations in Tinley.

The Girl Scout Jamboree will be held Sunday, May 27, and plans are under way to make it an interesting and inspiring affair.

Janice Gail Arnold of Joliet, Will Wed Gordon R. Ekedahl

Announcement was made this past week by Mr. and Mrs. Clark A. Arnold, 1113 Plainfield rd., Joliet, of the engagement and forthcoming marriage of their daughter, Janice Gail to Mr. Gordon Reid Ekedahl, son of Mr. and Mrs. Stanley Ekedahl of Haven avenue, New Lenox.

Altho no definite date has been set a late September wedding is being planned.

Both young people are graduates of Joliet Township high school. The bride to be, who also attended Joliet Junior college, is employed by the Blockson Chemical Co. Mr. Ekedahl attended the University of Illinois. He is presently stationed at Bergstrom Airforce base, near Austin, Tex.

CHRISTIAN SCIENCE CHURCHES

Availability today of God's healing and regenerative power will be brought out at Christian Science services Sunday, April 8. Readings from the King James Version of the Bible and correlation passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?"

Christ Jesus' healing of the "man with an unclean spirit" will be read from Mark including the following (1:27): "And they were all amazed, insomuch that they questioned among themselves, saying, What thing is this? what new doctrine is this? for with authority commandeth he even the unclean spirits, and they do obey him."

Among the correlative passage to be read from Science and Health is the following (49:11): "It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good."

If you want a place in the sun you must expect to get New St. Mary's hall, Mokena blisters.

THERE'S PLENTY
OF CLEARANCE
FOR ONE LAST
"KNOCK-OUT PUNCH"
AT WEEDS

with a
JOHN DEERE
Hi-Crop Tractor

If you grow tall crops . . . bushy crops . . . wide- or high-bedded crops . . . flowers . . . or sugar cane, you'll get in those important extra cultivations with a John Deere "60" or "70" Hi-Crop Tractor. With more than 32 inches under-axle clearance . . . 45 inches between final drive housings . . . and adjust-

able front and rear tread, these tractors are "tailor-made" for every high-crop need.

Equally important, they offer you every modern feature, including Power Steering, plus the extra economy, dependability, and long life of time-proved John Deere two-cylinder design. Both tractors are available with gasoline, all-fuel, or LP-Gas engine; the "70" also is available as a Diesel.

The Worst Kind of Monopoly

Monopoly is a word that has a bad sound to the ears of Americans. Monopoly never did fit into our ideas of a free nation. When it arose, we squelched it with the might of public opinion and the antitrust laws. Better than any other nation, we know the value to consumers of competition—and the value to business of the freedom to compete. Monopoly in products or services is evil because it enables those who hold monopoly power to ignore the interests of the consuming public.

But for worse than any monopoly in goods is a monopoly in people. Under a state tyranny like that of Soviet Russia, the rulers exercise sole rights to the use of individual lives—in aggression, labor, and everything else. Monopoly in any form is the reverse of freedom. Monopoly power over people—whether its use is attempted by government or by any group or organization—is intolerable in any nation that respects liberty and individual rights.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends and relatives for their many acts of kindness and sympathy extended to us at the time of the death of Wm. Zimmerman, Jr. Also to the Inhalator squad, Police Dept., Altar and Rosary Society, Holy Name Society, and for the floral gifts and masses.

THE WILLIAM ZIMMERMAN FAMILY

IN MEMORIAM

MILLER, Martin. In loving memory of our father and grandfather who passed away April 11, 1955.

The flowers we placed upon your grave

May wither and decay.

But our love for you who sleeps beneath

Will never fade away.

Our hearts still ache with loneliness.

Our eyes shed many tears.

God alone knows how much we miss you

As ends the first year.

DAUGHTERS, DORIS, LORRAINE, JUNE and FAMILIES

The Jesse W. Nugents are the parents of a nine pound, one ounce son, born March 31 in Silver Cross hospital in Joliet.

Tiny Mary Hattendorf, daughter of Dr. and Mrs. Derwood Hattendorf was a medical patient recently at Little Company of Mary hospital suffering with a severe bronchial infection.

The P. L. Jochums had as their dinner guests Easter, Mrs. J. L. Jochum of Blue Island and Mr. and Mrs. Joe D. Andres.

Melvin Stegge and family are vacationing in St. Petersburg, Fla. where his father has resided since his retirement.

The Lowell Farquhar family, with Mr. and Mrs. Joseph Farquhar, and Mrs. Lorene McDaniels and family spent the Easter weekend in Southern Illinois with friends and relatives.

Gary and Allene, children of Mr. and Mrs. Eugene Anderson,

are confined to their home with measles.

Scout Trails

Troop 239, with their leader, Mrs. Eugene Anderson, visited the Service Bakery and the Tinley Park Dairy Tuesday.

Mrs. Lois Steinmetz, co-leader accompanied them. Tinley Creek woods was the scene of the cook out of troop 334, Monday. Mrs. Ethel Zobac, leader, and Mrs. Blanche Yepsen were assisted by Mrs. Edward Hite and Mrs. Ruth Jochum. In spite of a brief shower, the affair was a huge success.

The girls of troop 225 with their leader, Mrs. Heien Funk and Mrs. Ava Funk, went on a double overnight at Thorne Creek woods, leaving Monday, April 2, and returning Wednesday noon.

Senior troop 268 will go on a campout today, April 5 in Andersons woods. Co-leader Shirley Blaylock will be assisted by Shirley Kappel. The girls intend to work on lashing.

The Rich Bremen 4H club met March 23 in the Farm Bureau hall, with Willard Meyer presiding. Emil Dettmering discussed plans for the square dance to be given May 4 in Sanger hall. Ray Dohlman gave a talk on hogs. Dick Bohlman on gardening, and Edwin Gierke on feeding a calf. The next meeting will be April 27. Emil Dettmering will serve.

Mrs. James English and her daughter Mrs. Clarence Sprague and her children returned last Tuesday evening from a delightful motor trip to Cloverport, Ky. where they spent the week end with Mrs. English's mother, Mrs. Carrie Elder. Gathered in the latter's home were all of her seven children and 11 of her 20 grandchildren and five of her 14 great grandchildren, and also a brother and sister. The occasion was the 83rd birthday celebration of Grandmother Elder. All had a happy reunion.

The south suburban group of the Tau Alpha Alumnae association will meet in the home of Mrs. T. Fridholm, 2525 Collins st., Blue Island at 8 p. m., April 11. The group will make favors for their spring luncheon.

The executive board of the Tinley Park PTA will meet Monday, April 9 at 8 p. m. in the lunch room at the Tinley Park school. All members are asked to be present as the year end reports will be completed.

The Homewood Volunteer Fire department giving its eleventh annual dance Saturday evening April 14, at the Sanger ballroom in Tinley Park. The chairman, Frank Fassero, promises a very pleasant evening. The money raised will be used for payments on the new fire truck.

The Altar and Rosary society will present the Eddie Doucette TV cooking school in St. George hall, April 19 at 7:30 p. m.

The Rev. Glenn Siler and members of the Tinley Park Gospel Tabernacle are grateful to the business men of Tinley Park and their many friends for their recent generous gifts.

Mrs. Fred Shandorf and Pamela of St. Paul, Minn., were visitors at the Harry Schmidt home several days last week. The Rev. Shandorf will be remembered as a former pastor of the Tinley Park Methodist church.

Charles Albright, student in Tinley Park school had the misfortune to slip and fall while high jumping in gym class and broke his left arm in two places. He'll be back to school however on April 9 when spring vacation will be over.

Linda Laucke, 9 year old daughter of Mr. and Mrs. Herman Laucke fell while at play and chipped the bone in her elbow.

Mr. and Mrs. John Yunker entertained their children and families for Easter dinner.

The Alvin Reder family were Easter guests of the Elmer Reders in Westchester.

Mr. and Mrs. Richard Freund had as house-guests over the week-end, her aunt and uncle, Mr. and Mrs. Robert Schmidt. Mr. Schmidt recently retired from Commonwealth Edison company in Chicago and they are now on their way to Riverside, California where they will visit a son and family, the William Schmidts, and look for an area to make their home. On Saturday evening, another son and family, the Robert Schmidt, Jr. visited at the Freund home.

Mrs. Edith Arnold and Mrs. Mathilda Steinhagen entertained at dinner Saturday, Mr. and Mrs. Dan Yepsen, and on Sunday, Mr.

and Mrs. Walter Kay of Orland Park.

Mr. and Mrs. Fred Nitsche were dinner guests Sunday of Mr. and Mrs. Gus Zerbis in Orland Park.

Mr. and Mrs. C. Hagedorn and Fred Yunker motored to Northern Wisconsin for several days last week.

Factory workers in Illinois were earning an average of \$86.16 a week as of Jan. 1, 1956, the highest figure on record. Wages in Illinois are substantially above the average for the United States as a whole. This showing is reported in the latest issue of the Illinois Business Review, published monthly by the College of Commerce, University of Illinois.

Foreign Farm Group Studies U. S. Methods

The University of Illinois College of Agriculture opened its doors recently to six foreign trainees.

The trainees have been studying agricultural information methods in the United States since last Aug. 5. At Urbana the group will take part in a short course on agricultural information campaigns.

The trainees, brought here by the International Cooperation Administration, have visited the U. S. Department of Agriculture in Washington, D. C., and two other land grant colleges, the University of Wisconsin and the University of Minnesota.

In the group are two men from the Philippines, two men from Korea, a man from Thailand and a woman from Peru.

After concluding their study at Illinois, the group will go back to Washington and then will return to their home countries.

Gives Data on Aid To Wool Producers

Roy M. Smith, chairman of the Will county ASC wishes to emphasize that sheep raisers must make application for payment on eligible shorn wool or lambs and yearlings not later than 30 days after the end of the 1955 marketing year which is the close of business April 30, 1956.

Mr. Smith states that producers who sell shorn wool or lambs after March 31, 1956, are not eligible for payment under the 1955 program; however, they will be eligible for such sales under the 1956 program.

Studies show that a majority of fatal pedestrian accidents occur near the victim's home. Pedestrians should remember to obey traffic rules at all times, not just when a traffic officer is present. Always cross at intersections and never cross between parked cars.

You'll Enjoy Gardening with Your ROTO-HOE

It takes the hard work out of these necessary jobs, — makes them pleasant, relaxing exercise — and gets the work done more quickly. Thousands upon thousands of America's Most Successful "Happy Gardeners" say that nothing equals a ROTO-HOE, NOTHING TAKES ITS PLACE. The many low-cost attachments add to its value and usefulness.

You, too, will be glad to know about this "Best Buy" in power garden equipment.

See or call us today for a "real deal".

According to the Chicago Motor Club, an art student was jailed for re-painting an old master's 1955 Indiana state license plates. The student didn't have enough money to pay for new plates so he re-painted his old ones with this year's colors. Unfortunately, he didn't have enough money to pay his fine. A Cleveland judge, who was

probably getting tired of the trite excuses he received from lawbreakers, heard a novel story recently. The Chicago Motor Club reports a defendant, who was arrested for stealing a car, offered this gem of an excuse: "I got tired of waiting for the bus."

Lightning bugs are a type of A Cleveland judge, who was

Forest Preserve Provides Green And Scenic Belt

by Roberts Mann, Conservation Editor, Cook Co. Forest Preserve

We ordinarily think of an oasis as a green spot in a desert, a place where travelers find shade and water; a refuge where they can rest and refresh themselves. The forest preserves, likewise, are oases. As sanctuaries of native landscape and wild life they are oases in a rapidly changing metropolitan area otherwise largely barren of such assets. Eventually they and Lake Michigan will remain as the only unaltered primitive features of Cook county.

These preserves are not parks but, in them, every man, woman and child has a place in the country that the richest man does not have and cannot buy. Facilities for appropriate forms

of outdoor recreation, principally picnicking, have been provided along the highway borders. The interiors and the bulk of the holdings, which now total more than 41,000 acres, have been preserved in their natural state as nearly as feasible. There are thousands of acres of unspoiled woodlands, meadows, marshes, placid streams and bodies of water.

Every year the preserves become more important to the public. As their hours of work per week decrease, people have more leisure time. They are becoming more outdoor minded. There are more elderly and retired persons. Of approximately 15 million visitors each year, the majority come to picnic but many are merely seeking solitude, quiet and relief from the hurly burly of city life. They can stroll about, fish, bask in the sunshine, or just rest under a tree. Some pursue hobbies such as nature study and photography. Others engage in more strenuous activities such as hiking or horseback riding on the trails, boating, swimming, golf and

winter sports. Youngsters find fun and adventure all year round. The preserves have become an intimate part of the lives of people in many communities and innumerable families.

In a county with five million inhabitants, and as residential, commercial and industrial developments move steadily outward and finally surround the forest preserves, the problems of protecting and preserving them become increasingly difficult. The woodlands and meadows, with their wildflowers, must be guarded. They must be protected against fires. The wildlife must be safe from hunting, trapping or any molestation. The holdings must be kept intact and used only as originally intended. You can help. They are yours to use, enjoy, cherish and protect.

Our conservation department conducts a comprehensive program of outdoor education which includes these nature bulletins; illustrated lectures to school assemblies; naturalist service in summer day camps and school

camp; training courses or work shops for teachers and youth group leaders; nature centers to be visited by school classes, youth groups and the public. Children and adults gain an appreciation of nature and the importance of our natural resources. They are enabled to find more enjoyment in the out of doors and make better use of our forest preserves.

The third Outdoor education workshop for Cook county teachers will be held May 8, 9, 10, sponsored by the committee appointed by Noble Puffer, county superintendent of schools, and the Forest Preserve District. Application blanks for teachers have been sent to the superintendent of each school district. For information call Miss Hill: Columbia 1-8400 or Forest 9-9420.

break leg should extend 50 feet east and the west leg 50 feet south of the last building to be protected.

Plans should be made to keep all forms of livestock out of the windbreak area permanently. An ideal windbreak consists of 3 rows 14 feet apart and the trees in the row 14 feet apart and staggered with the adjacent row.

Norway spruce and Douglas fir are the generally recommended species for windbreak in the northern two-thirds of the state. For further information on windbreaks, ask your farm adviser for the Illinois Natural History Survey Circular 30, "Windbreaks for Illinois Farmsteads". Also available from your farm adviser is a commercial nursery price list for windbreak planting stock.

Balsa wood is about half as heavy as cork.

We judge ourselves by what we are capable of doing; others judge us by what we have done. —Longfellow

Make Pre-delivery Inspection of Wheat

The Will county ASC Committee chairman, Roy M. Smith, making pre-delivery inspection say the grain inspectors are now of 1955 wheat under the price supports.

Under the 1955 price support program Smith says, wheat must meet the minimum sanitation requirement in order to be accepted at the support price. Inspectors are to probe each lot of wheat and carefully check for weevil, weevil damage, mustiness and contamination by rodents or other filth. If it appears that the wheat will not meet the minimum sanitation requirements, the producers will be reminded that that the wheat, if delivered in such a condition, will be sold as feed wheat by the county office and the proceeds applied as a partial cash repayment of the loan. The producer will of course be required to cash liquidate the balance.

The terms of the purchase agreement executed with producers under the 1955-crop grain purchase agreement programs provide that only commodities meeting eligibility requirements are to be accepted by ASC county offices in behalf of CCC. Accordingly, maintenance of quality in any grain covers by purchase agreement is solely the responsibility of each individual producer until delivery is completed.

An ineligible commodity is accepted for purchase upon delivery only through inadvertence and then settlement must be at the market price for quality delivered.

Mr. Smith would also like to point out that grains and related commodities containing substances poisonous to man or animals are not eligible for price supports.

Price supports for the 1956 Oats crop for Will county is 60 cents per bushel.

Windbreak Big Help on Farm

Cold winter winds won't hinder your daily chores and other farmstead tasks for many more years if you plan to plant a windbreak this spring, says William F. Whiteside, assistant farm adviser of Cook county.

Livestock on a farmstead protected by a windbreak will be more contented and will require less feed than livestock on unprotected farmsteads. Whiteside says. A windbreak will also encourage a population of song birds, quail, pheasant and other wildlife. These birds are beneficial in keeping insects under control especially around flower and vegetable gardens.

You'll need less fuel to heat your farm house and you can keep a more uniform temperature when the farmstead is protected by a windbreak. In planning a windbreak, there are a few pointers to keep in mind.

An L-shaped windbreak planted on the north and west sides of the farmstead affords the best protection.

The windbreak should be planted a minimum of 50 feet and a maximum of 300 feet from the nearest farm building or area to be protected. The best distance is 150 feet.

The end of the north wind-

New "Paid up at 65" Hospital and Surgical Plan

Now, coverage for your active years plus modified coverage during retirement without further premiums.

One out of every eight Americans will go to the hospital this year. You know how fast hospital and medical bills can pile up!

That is why it is so important to have a Hospital and Surgical plan to help meet such expenses. This new Metropolitan Plan can help

as long as you live, especially during the later years when no further premium payments are required.

This new plan is guaranteed renewable. However, the Metropolitan Life Insurance Company may adjust the premiums on such policies as a class.

Telephone or write today for complete details of the Metropolitan "Paid up at 65" Hospital and Surgical Plan.

MOKENA

Mokena 3521-4151

CARD OF THANKS

We wish to thank all our friends, relatives and neighbors and especially Mr. and Mrs. George Rouleau for their kind deeds and help at the time of our accident last week.

MR. and MRS. ED OLDENDORF and KENNETH

Mr. and Mrs. Elden Schwarz of Front St., Mokena, planned a joyous Easter week-end by spending it with his parents at Richmond, Ill. But their joy was turned into sorrow, when, during dinner on Easter, his father was sieged with a sudden heart attack and fell over dead. The Schwarzs returned to their Mokena home for a few hours Monday and again returned to Richmond for this week.

Fred Brown who underwent major surgery in Silver Cross hospital two weeks ago is doing as well as possible. His room number is 236.

Mr. and Mrs. James Stanek, 191st st., entertained at dinner in their home last Sunday to honor their son, James who was

confirmed in St. John's Evangelical church Palm Sunday. Guests were Mrs. Opej Bittle, Mrs. Elizabeth Stanek, Mr. and Mrs. Joe Shaffer, Jr., Mr. and Mrs. John Claussen and son Terry and daughter Judy, Mr. and Mrs. Ted Bichler, Mr. and Mrs. Leonard Redding, Mr. and Mrs. Orla Longnecker, Mr. and Mrs. Marvin Costelli and son Jeff, Mr. and Mrs. Harry McKeand, Thomas Williams, Jim Lee, and Mr. and Mrs. James Pora, daughters, Janice and Judy all of Chicago.

Mr. and Mrs. William Liston and family spent Easter with their daughter, Mr. and Mrs. Jerry Stewart and family in Portsmouth, Ohio.

Mrs. Lloyd Warning entertained in their home at dinner last Sunday to honor the birthdays of her husband and of her brother William of Orland Park. Other guests were her sister, Mr. and Mrs. Herman Beifeldt of Joliet and sister Christine Schmidt, Mokena.

The Amvets auxiliary members will sponsor a social dance in old St. Mary's hall this Saturday evening, April 7 starting at 7:30 o'clock.

F/A Eric E. Miller who is stationed on the USS E. F. Larson at Brooklyn, spent 10 days with his parents in Manhattan. He came home to attend the funeral of his grandmother, Mrs. George Warning. He left Monday to return to his ship which is in dry

dock in Brooklyn and will soon be on a cruise to Cuba, the west coast and Japan. He visited with his grandfather in Mokena last week.

Mrs. Durward Fant entertained at a party in her home last Friday to honor her daughter Marla and her sixth birthday. Guests were Linda Yunker, Dorothy Omland, Debbie MacKenzie, Frances Bormet, Mrs. Fred Lehmann and daughter Betty.

A daughter was born to Mr. and Mrs. Charles Hostert in Silver Cross hospital Wednesday, March 28. She has been named Barbara Kay and weighed five pounds 12 ounces. Her two brothers, Allan and David are waiting to welcome her home.

Mr. and Mrs. Berle Needham spent the week-end with their son, Lt. and Mrs. Richard Needham at Colorado Springs, Colo. The Color Chapel held cooperatively by St. John's Evangelical church and the Mokena Methodist church Monday thru Friday during Holy Week was well attended by 176 grade school pupils. The Wednesday morning offering of \$12.15 was designated for the Crippled Children's Fund.

The Holy Name society of St. Mary's Catholic church will sponsor a card and bunco party in the new church hall Saturday evening, April 21 starting at 8 o'clock.

Miss Joyce Cummons entertained at a miscellaneous show-

er in her home, 217 Third st., and moved from this area to Nebraska many years ago. He is survived by two sons, John Jr. and Clifford. A daughter, Blanche and his wife, Laura, preceded him in death. Mrs. Jungles died quite recently.

Mr. Arthur G. Shepherd, son of Mr. and Mrs. Robert Shepherd Sr., was recently graduated from the track vehicle mechanic course at the Army's European ordnance school in Fuesen, Germany. He has now returned to his regular army post where he is a mechanic in Hdqs. Co. of the 3rd Armored Cavalry Reg., third battalion. Arthur is married and his wife, Ardith, and their small daughter are living with her mother in Lockport. Before entering the army he was engaged in farming with his father on Bruce rd.

The impressive Maundy Thursday service at Homer church was well attended.

Miss Irma Bowald and Miss Irene Benck, nurses of St. Lukes hospital, Chicago, and Ralph Benck from Nebraska State U., are spending the Easter vacation in the Herman Benck home.

Mr. and Mrs. Robert Nickless and children of Lockport and Mrs. Ira Anderson were Easter dinner guests in the Ray Carlson home.

Mr. and Mrs. Louis Pelkey of New Lenox were Sunday dinner guests of the John Loucks family.

The Homer Woman's club will meet at Homer church Wednesday afternoon, April 11, with Mrs. Edward Daley and Mrs. F. J. Paddock as hostesses.

Darrell Joseph, infant son of Mr. and Mrs. Darrell Shepherd, was baptised at the Easter morning service at Homer church.

The breakfast sponsored by the Pilgrim Fellowship at 8:30, was well attended, as was the church service. The choir was lovely in the new royal blue robes which they have recently acquired. They sang pleasingly and Mrs. John Hollister was un-

usually good in her rendition of Holy City.

The Amos Conrad family of Chicago were Easter visitors of the George Burchams.

Mrs. Robert Shepherd and Mrs. Wrey White are among the ill this week.

At the Missionary meeting at Homer church Thursday, the Woman's gift was presented and committees were appointed for the May breakfast and bake sale.

Mrs. Frank Parker and Mrs. Roy Parker will have charge of the breakfast and Mrs. Henry Rodgers and Mrs. Reed Burch of the bakery goods which will be sold at the church the same May morning, but the exact date has not yet been chosen.

ferry on the Ohio river about two miles above Cave-in-Rock. The site of the old tavern, some markings of it, and the spring are still pointed out to visitors.

Perhaps it would be more appropriate to say that Potts' tavern was notorious rather than noted. It marked the northern end of a section of the trail along which numerous robberies are recorded, where many travelers disappeared and where the body of a slain man was occasionally found. Willie Potts grew up in this environment and thus it is not strange that he tended toward a life of violence. Some of the men engaged in robbery along that trail often loitered about the tavern. Willie mixed with them and heard their stories. It thus was not strange that he became interested in their doings. Young and ambitious, Willie decided to try his lone hand at robbery and began to look about for a victim.

According to legend, Willie selected for his first victim a prosperous looking traveller going from Ford's Ferry toward his father's tavern and rode along with him for some distance before deciding that the best way to begin his career of crime would be to shoot and rob his companion. When Willie attempted to do so, however, the stranger who had become suspicious and alert was first on the draw and shot young Potts in the shoulder.

The wound was not too serious and the would be robber rode away at top speed. According to the second version, Willie had met his prospect as they journeyed in opposite directions along the road and was robbing him at gunpoint when two farmers not so friendly to Willie came upon the scene and witnessed the robbery. Without doubt they would report the crime to proper authorities. This might cause an investigation of a number of crimes that had been laid out by the bands that loitered about Ford's tavern in Kentucky and Potts' tavern in Hardin County. Fearing the exposure that might result, it was decided that Willie should leave for a spell.

He immediately left and was gone for a number of years during which he evidently played his trade with success in other regions. Now very grown up and changed in appearance, Willie decided that he could safely pay a visit to the scenes of his boyhood. He was now a large man and would not be readily recognized. He also had grown a heavy dark beard that would add to the difficulty of recognition.

Members of the gang with which young Potts had once operated observed the apparent prosperity of the stranger when he stopped on his way home at Ford's tavern in Kentucky. One of the group to whom he revealed his identity informed the others that the supposed stranger was their old confederate, Willie Potts. Hence the plans they had formed to rob him were dropped and he was welcomed back by the group. The next day young Potts went on his way toward his father's tavern at the northern end of the road and arrived there late in the afternoon. Neither the mother nor the father recognized the stranger as their son. Willie enjoyed the success of his plan and decided to wait until the morning to tell them who he was. He and the elder Potts sat talking until bedtime.

Young Potts, being thirsty, asked for a drink of fresh water. His father, as was the custom, suggested that they go to the nearby spring for a drink. When they reached it, young Potts knelt, placed his hands upon the stones as he had done so often in earlier years, leaned forward and began to drink. The elder Potts, seeing the opportunity that the situation offered, drew a long dagger that he always carried and plunging it into the unsuspecting drinker's back, just below the left shoulder blade, young Potts died at once.

The father took the large roll of bills that his victim carried. Further search did not reveal any means of identifying the dead man. Potts removed the body of his victim as was his practice in such cases, to a nearby hillside and placed it in a shallow grave. He then returned to the tavern, informed his wife that he had made a successful haul and went to bed. By his standards it had been a successful day.

The next morning some of the gang with whom his son had once associated came to the tavern from Ford's place in Kentucky. They had come to celebrate the return of their former associate. When the new arrivals inquired concerning Willie the mother and father were puzzled. They thought that a joke was being played and appeared to resent it. Further questioning and a description of the one sought aroused grave anxiety in both Potts and his wife. They began to fear that the stranger of the night before was their son.

Upon the departure of the puzzled visitors, Potts took a spade, went to the newly made grave and began to remove the dirt from over the body. His consternation and remorse may be imagined when the body was uncovered and careful examination revealed a tell tale birthmark. This mark was a dark figure shaped like a four leaf clover, once called "the lucky mark," on the left breast, just about where the point of the dagger had pierced through. Potts had killed his own son.

Upon the departure of the puzzled visitors, Potts took a spade, went to the newly made grave and began to remove the dirt from over the body. His consternation and remorse may be imagined when the body was uncovered and careful examination revealed a tell tale birthmark. This mark was a dark figure shaped like a four leaf clover, once called "the lucky mark," on the left breast, just about where the point of the dagger had pierced through. Potts had killed his own son.

Upon the departure of the puzzled visitors, Potts took a spade, went to the newly made grave and began to remove the dirt from over the body. His consternation and remorse may be imagined when the body was uncovered and careful examination revealed a tell tale birthmark. This mark was a dark figure shaped like a four leaf clover, once called "the lucky mark," on the left breast, just about where the point of the dagger had pierced through. Potts had killed his own son.

COUNTY OF WILL SS.

IN THE CIRCUIT COURT OF WILL COUNTY

IN THE MATTER OF THE PETITION OF GEORGIOS JOHN GIANNOMITROS, Individually, IRASLEIS GRANNOMITROS JAMES AND LEONIDAS GIOZGIOS GIANNOMITROS JAMES BY GEORGIOS JOHN GIANNOMITROS, their father and next friend, to change their names. Public notice is hereby given that the undersigned, GEORGIOS JOHN GIANNOMITROS, individually, and IRASLEIS GRANNOMITROS JAMES AND LEONIDAS GIOZGIOS GIANNOMITROS, their father and next friend, will file their petition in said Court on the 21st day of May, A. D. 1956, in which petition they will ask that said Court, by an order to be entered on this record, direct and provide that their names be changed to GEORGE JOHN JAMES, IRACLEO GEORGE JAMES AND LEONIDAS GEORGIOS JOHN GIANNOMITROS.

Petitioner
IRASLEIS GRANNOMITROS JAMES AND LEONIDAS GIOZGIOS GIANNOMITROS JAMES BY GEORGIOS JOHN GIANNOMITROS, their father and next friend
April 5, 12, 19, 1956

Speaking of research and development, over 75 per cent of common prescription drugs were not in existence ten years ago.

These two diseases belong to a huge family of bacteria that also cause the various paratyphoid infections.

Altho extensive testing of breeding poultry flocks has greatly reduced the prevalence of pullorum, some chicks are still sold from untested birds. Each spring pullorum appears in some parts of Illinois, frequently causing high death losses in young chicks.

Pullorum, fowl typhoid and the paratyphoids can all be spread through eggs and by direct contact of healthy birds with infected birds or with contaminated equipment and litter. Most kinds of poultry can act as carriers if they have chronic infections.

Pullorum is noticed most in young chicks. Infected adults may show no symptoms except perhaps decreased egg production. Symptoms of fowl typhoid losses.

Coal moved by barge will be the chief fuel used by electric utility companies now locating along the upper Mississippi River.

Sportabout

by JACK MAYPOLE

Here and there in sports. Maypole dances and festivities now being planned are not to honor this writer, rumors to the contrary. Baseball fans and elephant feeders please note. Peanuts will be in short supply again this year. Lay in your own stock. A friend of mine reports his boss is offering a gold-plated fishing pole with an alligator hide case as a sales prize. If you drop it overboard you hire a diver. Wrigley field's new moving stairway goes into action when the Cubs open their home season April 20. The fans now have an easy way to get to the top but the players still have to make it the hard way. The national water ski championships have been set for LaPorte, Ind., August 24 through 26. This is a time when beautiful girls in bathing suits and strong men in trunks show off two kind

of form. A right good place to see skills and thrills.

Look for more automatic pin-setting machines to be in operation in the middle west this fall. Brunswick's long-delayed installations are getting underway with new alleys and conversions to be fitted with the mechanical pinboys.

Our resort operating friends from Wisconsin whose fine attractions are known to thousands of Illinois folk, really put on a grand exhibition of their wares at the Hotel Sherman in Chicago last week. Filled the mezzanine floor with booths, gave away prizes and generally did themselves proud with the crowds that visited them.

Have you got up nerve to test your waders in the cold, cold water yet? Me neither. (Hear Jack Maypole over WJJD at 8:40 a.m. M-F)

Don Cappel on Top Team in Army Tourney

Mrs. Irma Winkler, Frankfort, received word from army camp at Ft. Buchanan, Puerto Rico, that her son, Pfc. Donald E. Cappel, 22, recently was on the winning bowling team in an Antilles Armed Forces tournament in Puerto Rico. He is a member of Ft. Buchanan bowling team.

Pfc. Cappel, who entered the army in July 1954, completed his basic training at Camp Chaffee, Ark., and is now an auto mechanic in the 7503rd army unit. He was graduated from Joliet Township high school in 1951.

His grandmother, Mrs. Emma Cappel, is a resident of Mokena, where he also has other relatives.

Campaigning

Benjamin Adamowski (left), Republican candidate for state's attorney of Cook County in the primary election April 10, is shown here as he appeared in a recent campaign swing that included a stop and a talk at Tinley Park. Adamowski is shown here chatting with J. Clare Moore, Republican committeeman for Bremen township.

Losers - But Happy Ones

These Southern Illinois University (Carbondale) seniors appear happy despite their loss to the juniors in the finals of the inter-class basketball tournament. Centering their attention on the ball are (left to right) Martha Brown, of Cutler; Myrna Brewner, Greenville; Norma English, of Logan; Carol Emery, of Tinley Park; Martha Cralley, Okawville, and Nancy Norling, Chicago. (SIU Photo)

Begin Repair of Mokena Streets

A petition presented by eight property owners on Front st., west of Wolf rd. to the Mokena village board Tuesday night asking that that thoro fare be repaired had been anticipated by the trustees.

The village board is aware that considerable work is necessary to rehabilitate the streets, and began the work when weather permitted.

Grading was done on Front st., west of Wolf rd., and gravel added. It will be necessary to grade this section several times it was said, before the street is oiled in June. Similar repairs are scheduled on Mokena st., between Front st. and the Rock Island crossing.

Fred Steinhagen has been hired by the board to serve as maintenance man for the village on a 40-hour week basis. The village is to buy a small tractor and blade for light grading, and snow removal. It also is to buy a truck. Both pieces of equipment are to be purchased locally.

The money for Steinhagen's salary and the equipment will be taken from the village sales tax.

At the request of Andrew Zink the board allotted three loads of stone for repairs of the alley, which runs from First st. to Carpenter.

Village Clerk Alvin Sorensen was instructed to serve 10-day notices on those delinquent on their water bills and vehicle licenses.

Village Attorney Raymond Hoolehan presented the board with a copy of the contract between the village and Robert S. Hamilton, of Joliet, who was

hired by the board at its meeting March 8 as engineer to draft preliminary plans and estimate the cost of a sanitary sewer system and disposal plant for Mokena. The contract was not signed Tuesday night because of the necessity of making a couple of minor changes in its terms, but it will be it was stated.

Representatives of Warren Chemical Co., Chicago Heights, asked the board to consider polyphosphate treatment of the Mokena water supply to combat rust and other solids. They were invited to furnish the board with a list of communities employing their methods. The board will check these places and then consider the proposal in the light of the findings they make, it was said. Frankfort has been giving this water treatment method a trial.

Two building permits were issued, one to Arrian Yunker for a house and garage on Bryant st., to cost \$18,600 and the other to James Goerres, on E. Carpenter, for a car port costing \$200.

The board will also install 14 new street lights. They are to be located as follows:

Mokena st. between Denny ave. and Hiawatha blvd. and between Hiawatha blvd. and LaPorte rd.

Wolf rd. between 195th and Third st. and at the intersection with Revere rd.

Revere rd. between Wolf and Union; Revere and Union and between Union and Midland.

Bryant st. between Wolf rd. and Union and between Union and Midland.

Parker rd. between Wolf and Union and between Union and Midland.

Third st., between Midland and Tinley Park rd. and one at the intersection of Third and Tinley Park road.

FRANKFORT

Mrs. Katharine Heisner
Frankfort 4902

Mr. and Mrs. Norman Heisner of Champaign were weekend guests of their parents, the Frank Heisners.

Mr. and Mrs. George Elsner entertained at a family dinner in their home Easter in honor of their daughter, Mrs. Robert Porter, and her birthday.

Mr. and Mrs. Willard Burde entertained Saturday evening in honor of his birthday. Guests were Mr. and Mrs. Claude Colegrove and family, Mr. and Mrs. John Brier and Mr. and Mrs. Everett Holme and family all of Orland Park; Mr. and Mrs. Lawrence Burde and family and Mr. and Mrs. Robert Kling and family of Lemont; Mr. and Mrs. Walter Wiese of Lockport; Mr. and Mrs. John Hendon and sons of Midlothian and Mrs. Stanley Warning and sons. A social evening with refreshments was spent. Sunday, the Stanley Warning family and Willard Burde family dined out for dinner in honor of the occasion.

Mr. and Mrs. Delbert Seemann had as their guests Sunday for dinner and supper, Mr. and Mrs. William Seemann, Mr. and Mrs. Henry Kuch; also Mr. and Mrs. Peter Kokal and family and Mr. and Mrs. George Baughan and family both of New Lenox.

Mr. and Mrs. Edward Warning entertained at a family dinner Sunday in their home. The guests were Mr. and Mrs. Dole Warning of Farmington, Mich. Mr. and Mrs. Herbert Lambricht, Mr. and Mrs. Fred Kohlhaugen, Mr. and Mrs. Lynn Kohlhaugen and sons, Mr. and Mrs. Henry Breidert, Mr. and Mrs. Burton Breidert and Bobby, Mr. and Mrs. Howard Osmus, Mr. and Mrs. Fred Heisner and Mrs. Minnie Klepper.

Mrs. Bertha LaHue entertained Sunday at dinner, Mr. and Mrs. William Hansen and Mr. and Mrs. Leroy Hansen and daughters.

The Rev. and Mrs. Ben F. Day and daughter Debbie motored to Morris Sunday where they were dinner and supper guests of their parents, Mr. and Mrs. Irvin Day and Mr. and Mrs. Gordon Teller.

The Royal Neighbors of America are sponsoring a pinocle party Friday evening, April 6 at 7:45 in the village hall. Refreshments will be served and the public is invited.

Mr. and Mrs. Arthur Lambricht, Mrs. Gertrude Eichmeier and Mrs. Edith Lambricht, motored to Menomonee Falls, Wis., Saturday to visit the former's son, Mr. and Mrs. Richard Lambricht, and children. The Frankfort group stated they drove many miles thru streets lined with 2 to 3 feet of snow.

The infant son of Dr. and Mrs. Merle Otto was baptized Sunday morning in the Methodist church with the pastor the Rev. Ben F. Day officiating. The name given was Ronald James.

Mr. and Mrs. Charles Mark entertained in their home last Wednesday evening in honor of their son Gerald and his 13th birthday. Sunday they entertained in their home at dinner, in honor of Gerald's confirmation in the Methodist church. Guests were Mr. and Mrs. Henry Mark, Mrs. Georgia Campbell, Mr. and Mrs. Arthur Mark and sons, Mr. and Mrs. Jacob Hostert, Mr. and Mrs. George Kratzberg and Frank and William Mark.

Mr. and Mrs. Elmer Batson and Milton and Mr. and Mrs. Orval Schroeder and family and Mrs. Anna Scheer attended the celebration in the Legion hall in Manteno Sunday in honor of the 80th birthday of Albert Strassenberg and the confirmation of Barbara Contois.

During the morning services in the Methodist church Sunday the following young people were received into church membership: Margaret Anne Cummins, Judy Lorraine Mulligan, Russell Darrell Simmons, Gerald Mark and Esme Bell; also received into membership were Mr. and Mrs. L. C. Cummins and Mr. and Mrs. Raymond Putman, by transfer.

Mr. and Mrs. Herbert Folkers and family were dinner guests of Mr. and Mrs. Clarence Wise at New Lenox Sunday.

Herbert Folkers, Jr., Milton Ratson and Elmer Dull attended Easter Sunrise service at Bald Knob at Carbondale Sunday.

Mrs. Herbert Folkers, chairman of the Red Cross, wishes to thank all who participated in the drive which netted a sum of \$608.18.

Mr. and Mrs. Henry Heisner and daughters of Detroit spent their spring vacation this week with his parents Mr. and Mrs. Henry Heisner Sr.

Dr. William Rest of Chicago, president of the North Illinois Synod will speak next Sunday during morning services in St. Peter's Evangelical church. He will also meet at 2 o'clock in the afternoon with all officers of all offices of the church.

Rev. Erich Bizer attended the Will county Ministerial meeting in Joliet Tuesday.

The Rev. and Mrs. Robert Klepper and daughter Ceiniven of Prospect Heights and Mr. and Mrs. Clarence Klepper and family of Rockford were guests of their mother, Mrs. Fred Klepper Easter. The latter will return home with the Robert Kleppers, while she is recovering from an injured leg, which she sustained recently.

Mr. and Mrs. Edward Lane and family of Culver, Ind., spent the weekend here with her

Lists 13 Most Dangerous Points in City Driving

Persons in the area who drive in and around Chicago are urged by Chief Philip McGuire of the traffic division to use care and caution, especially in the vicinity of intersections that he has listed as most dangerous.

There are 13 places on this list, so designated because of the large number of accidents in 1935. The unlucky 13 are, in order, 79th, Stony Island and

South Chicago Avenues—63rd and State—63rd and South Park—Elston, Fullerton and Damen Avenues—Division Street and Ashland Avenue—103rd and Stony Island—Roosevelt Road and Western Avenue—Roosevelt Road and Damen Avenue—35th and Ashland—Archer Avenue and Pulaski Road—47th and State—Archer and Ashland—Western Avenue and Cermak Road.

Fatal accidents occurred at two of these intersections last year. A motorist was killed in an accident at Archer and Ashland, and a pedestrian was killed at 47th and State.

Chief McGuire urges particular caution in walking or driving through any of these intersections.

The American clipper ship era was from 1850 to 1860.

Bonds. The pamphlet, undated,
is an excerpt from "The Intelligent
Investor" by Benjamin
Graham, president, Graham-
Newman Investment Fund and
lecturer in finance, Columbia
university. The pamphlet is
much too long for complete re-
print and we shall try to hit
the high-lights.

"Cash holdings are uninvested
funds presumably kept down to
the minimum required for cur-
rent needs. In many cases, how-
ever, cash holdings are greater
than necessary. If they are not
held with the idea of future in-
vestment at propitious time, they
may represent financial carelessness
or undue timidity on the part
of the saver."

"Savings accounts constitute
investment in a true sense since
the funds are invested on be-
half of the depositor by the
bank or savings association. The
same is largely true of life in-
surance, because a substantial
portion of the premium paid on
most policies is accumulated and
invested by the company for
the benefit of the insured." The
author goes on to point out that
life insurance is savings subor-
dinated to the primary objective
of protection against death. He
further points out that savings
devoted to home-ownership is
somewhat distinct from pure in-
vestment in that most homeown-
ership is characterized by bor-
rowing - i. e. assumption of
mortgage debt. It is further
pointed out that the placing of
money in a savings account or
compound-interest account and
the purchase of U. S. Savings
Bonds are to some degree com-
petitive and achieve about the
same results. He points out that
savings accounts and savings
and loan associations are prefer-
able for savings which may be
needed in a comparatively short
time.

He goes on, "Our practical
conclusions are, first, that not
more than half of the typical
investor's funds should be placed
in common stocks; and second,
that he adopt some program of
purchasing stocks that will re-
duce the psychological hazard
inherent in this form of invest-
ment. Several such methods are
available to the average invest-
or."

Room No. 700
134 - So. LaSalle St.
Chicago, Ill.

The record litter for a German shepherd mother in these United States is given as 17 but
Wolf who had the 14 pups shown in this picture is ready to agree that 17 would be just too many.
So does Mrs. James L. Murphy, 179th st., New Lenox township, who owns Wolf and her brood.
Wolf lacked the number of feeding stations as well as the wherewithal for such so Mrs. Murphy
bought a flock of nursing bottles and then began whipping up a formula with which she stoked
the pups every two hours.

It was a lot of work but it paid off. All of the pups are doing well and several of them have
already been sold at substantial sums for later delivery. The feeding problem has been eased by
the fact that the young pups can now take their rations from a trough—but it's a big trough and
it takes a lot to fill it. Wolf is a pedigree German shepherd. She is now 18 months old. It took
23 hours for the entire litter to be delivered. The first pup arrived at 3 o'clock one afternoon and
the last one came a 2 o'clock the next afternoon. (Photo by Douglass)

Mysteries of the East to Get Touch of West Farming Methods

W. H. (Bill) Tammeus has
pulled up the roots established
in 11 years of farm advising in
McHenry county and headed for
India.

Bill, his wife and four chil-
dren boarded a plane for India
in Chicago on March 7. For the
next two years he will train
Indian agricultural college gradu-
ates in extension methods.

Tammeus is the second agri-
cultural expert to go to India
under a new two-year "self-
help" program designed to help
that country improve its agri-
culture. The mission is financed
by the International Cooperation
Administration and is under the
guidance of the University of
Illinois college of agriculture.
The college is looking for six
more specialists to assist in car-
rying out the program, called
the Indo-Institutional agricul-
tural program.

H. W. (Hank) Hannah, associ-
ate dean of the college, has been
active in the program since Oc-
tober, when he went to India.
Hannah and Tammeus were close
friends in their undergraduate
days at the University. Hannah
made a special request that
Tammeus be given leave from his
county extension duties to
accept the Indian post.

Tammeus has been McHenry
county farm adviser since 1944.
Assistant Farm Adviser Gene
Brown will fill in for him dur-
ing his absence.

The Tammeus children are
Karen, 16; Barbara, 12; Billy,
10; and Mary, 8. The family will
travel through San Francisco,
Honolulu, Tokyo, Hong Kong,
Bangkok, Calcutta and New Delhi
before reaching their new sta-
tion at the Allahabad Agricul-
tural Institute.

Tammeus will travel in four
states in North Central India,
consulting with agricultural
leaders and training them in
various phases of extension
work.

Do Research On Bang's Disease

Research to find out what ef-
fect brucellosis in hogs may have
on the brucellosis (Bang's dis-
ease) in cattle was recommended recently
by the National Brucellosis
committee, reports a University
of Illinois veterinarian. This is
the stuff that causes undulant
fever in people and there is a
lot of it.

Dr. H. S. Bryan of the college
of veterinary medicine, who at-
tended this meeting, explains
that brucellosis may have to be
eradicated in swine before it
can be completely controlled in
cattle. Cattle may get the hog
type of brucellosis when they
contact infected swine.

At present the national level
of brucellosis in cattle is 1.1
per cent of all cattle that are
given either blood tests or milk
ring tests are included. All states
are now eligible for federal aid
in eradicating the disease. More
than half of the states have set
dates in 1960 or earlier as dead-
lines for control.

A state that has less than
one per cent of infection gets a
modified brucellosis-free rating.
However, as long as even just
one per cent of infection re-
mains, there is danger that the
disease may get out of control
again, Dr. Bryan says.

Also recommended at the com-
mittee meeting was continued
research to improve blood tests,
milk ring tests and vaccinations
now used in the eradication cam-
paign.

Other points emphasized in
subcommittee reports were the
need for more veterinarians to
work in the program, the value
of calfhood vaccination against
brucellosis and the need for uni-
form regulations governing in-
terstate movement of cattle.

Homemaker Tells How to 'Shorten' Tall Windows

You can make interesting cur-
tains or draperies for tall, nar-
row windows if you follow the
rules.

Dorothy Iwig, University of
Illinois home furnishings special-
ist, says that tall, narrow win-
dows make a room look high.
You'll need to emphasize hori-
zontal lines to make the win-
dows appear shorter and wider
and the ceiling lower.

Curtains or draperies may
hang to the sill, the edge of the
apron or the floor. If you make
them hang to the floor, you can
cut down on the long over-all
effect by extending the rod so

that some of the fabric covers
part of the wall. Or you can
use a cornice board for the same
effect.

A horizontal pattern in the
fabric will also make the win-
dow look wider.

Astronomy is probably the
oldest of all sciences.

The going is always great in a

Ford V-8

And the going is excep-
tionally great with the new
225-h.p. Thunderbird Special
V-8. This is not only
the biggest eight in the low-
price field... it also gives
you the most turning
power at the rear wheels.
The great 225-h.p. Ford
V-8 is available in most
models. And the mighty
202-h.p. Thunderbird
V-8 is available in
all models with
Fordomatic Drive.

...and you always get the best deal
and the best service from your
neighborhood Ford Dealer!

Your neighborhood Ford Dealer makes his
living by serving the people in your area. And
he aims to continue doing business with you
people for a long, long time. But he knows
full well that the future of his business depends
on the good will of you and your neighbors.

That's why your own neighborhood Ford
Dealer has a continuing interest in every car

he sells. He knows that when he makes sure
to help you get all of the enjoyment that's
built into your new Ford... he can be pretty
sure that you'll come around to see him again.

When you're thinking of getting a new car
... be sure to see your neighborhood Ford
Dealer first. You'll find that he'll make you the
best deal you can get anywhere!

EDDIE the EDUCATOR

says

The April elections are approaching. A primary consideration is good schools. Let your primary choices reflect that fact.

Illinois Education Association

Tinley Park Cub Scouts Hold Their First Blue and Gold Banquet

Cub Scout Pack No. 272 of Tinley Park had a great time at its initial Blue and Gold banquet. This affair is held once a year and is a highlight in the Cub scouting program. Cub Scouting, for the benefit of those who may have forgotten, is defined officially by the Boy Scouts of America as "the younger boy program . . . which gives the whole family—mother, dad and Jimmy—a chance to enjoy things together, right where they are, in their own home."

Cub Scouts range in age from eight to 11 years. There are four ranks and they are attained thru age and learning of skills and handicrafts. The Wolf rank takes in those between eight and nine years of age; Bear rank, for those nine to 10; Lion rank, 10 to 11 and Webelos—the top rank—follows achievement in the Lion rank. Each rank has a special badge and those scoring extra achievements display the fact thru gold or silver arrow points.

The Pack is made up of Dens. There are eight dens in the Tinley Pack which in the past year has grown from 38 to 63 boys. The Blue and Gold banquet at Tinley, by the way, chanced to fall on the same date as the renewal of the Pack charter with the Boy Scouts of America. New Cubmasters and Pack Committeemen were named.

LINCOLN ESTATES

Mrs. Martin Goetz,
Tel. Frankfort 4236

Mr. and Mrs. James Hatz and family spent Easter with the Louis Johnson family at New Lenox.

Mr. and Mrs. Emil Groth entertained in their home Easter Mr. and Mrs. Wilbur Lauffer and children, and Mr. and Mrs. Henry Mueller and George Grasmier of Mokena.

Mr. and Mrs. Robert Wheeler and family had Easter dinner at the Joliet Country club as guests of Mr. and Mrs. Leo Marcoux and family of Mokena.

Phillip Hemingway of Detroit, Mich., brother of Mrs. Robt. Wheeler, spent the weekend with her and her family.

Russell Darell Simmons, son of Mr. and Mrs. Leonard Voytina of Lincoln Estates, was baptized and confirmed by the Rev. Ben Day, pastor of the Methodist church in Frankfort, Easter. He, also, was received into the membership of the church.

His sponsors for confirmation and his godparents for baptism were his aunt and uncle, Mr. and Mrs. Arno Pauling of Mesa, Ariz.

Dinner was served at the home of his parents to honor the occasion. Guests were his grandparents, Mr. and Mrs. A. C. Pauling and Mr. and Mrs. Elmer Pippinger of Elmhurst. Pictures were taken later.

Mr. and Mrs. G. Whorter entertained Mr. and Mrs. Roy Newell of Chicago in their home Saturday evening.

CARD OF THANKS

We wish to express our sincere thanks and deep appreciation to our neighbors, friends and relatives for their wonderful expressions of sympathy and help extended to us at the time of the death of our beloved wife, mother, daughter and daughter-in-law; also to those who sent floral offerings.

ELSIE YUNKER and FAMILY
MR. and MRS. ROY LORENZ
and FAMILY, Joliet.

A reminder to plan to attend the Spaghetti supper, Saturday, April 7, in the Methodist church dining room which the Men's club is sponsoring. Serving from 5 to 8 p.m. Bring the children.

According to Mrs. Karl Ekberg, president of Orland Park Woman's Club, Thursday, April 26 is the date set for the Salvation Army tour, which will take in the Harbor Lights and Booth Memorial hospital. The tour will leave by bus at 10 a.m. All members planning to take advantage of this tour should contact Mrs. Ekberg no later than April 12, as the Army desire the number of persons expected for this tour. Orland folks will leave at a.m. Don't forget the "Rummage Sale" to be held at the home of Mrs. Ekberg, Friday, April 13. Proceeds will go into the cancer fund.

The devotional part of the WSCS meeting was held in the Methodist church sanctuary March 26. Mrs. A. M. A. rendered organ selections and Mrs. Robert Plastow delivered the sermon based on the Lenten season. The business session was held in the social rooms when plans were made to hold a rummage sale in May and also to have the Mother and Daughter banquet the same month. Appointed on a committee to plan for the banquet are: Mrs. Ralph Show, chairman of the Evening circle, Mrs. Sherman Knox, chairman of the Day circle and Mrs. Harry Anderson from the church. Mrs. Karl Ekberg reported having sent 30 dozens of eggs to the Methodist Old people's home on Foster ave., Chicago. Mrs. Ekberg will accept cash donations for eggs for Lake Bluff orphanage. At the close of the meeting, refreshments were served by the Evening circle.

Mrs. John Rauch celebrated her 86th birthday, March 31. As she has been ill for several weeks, no party was scheduled but relatives called to wish her a happy birthday.

The Orland Park Fire department was called out twice Saturday to a grass fire. Last week they responded to a call, a grass fire which smoked out part of the town, as the day was very windy.

The annual meeting of the Woman's Society of Christian Service, Chicago Western district, will be held April 20 in the Wheaton church. Those who plan to attend were asked to

contact Mrs. Stewart Loebe, president of Orland Park WSCS.

The Adult Bible class of the Methodist church will meet at the home of Dr. and Mrs. B. J. Rooth, Will-Cook road, Wednesday evening, April 11 at 8. All members are urged to attend and bring a guest.

Mrs. Lloyd Warning of Mokena entertained at dinner, Sunday, honoring the birthdays of her husband and brother, Wm. Schmidt of Orland Park. Mr. and Mrs. Herman Beifeldt of Joliet and Miss Christine Schmidt of Mokena were also guests.

Mr. and Mrs. F. J. Miller, Sr. returned Saturday from a two weeks auto trip to San Diego, Death Valley, Las Vegas and Phoenix, Ariz.

Miss Charlotte Ahnell, daughter of Mr. and Mrs. Harry Ahnell, 143rd St., Orland Park, was home for the Easter holidays. She returned Monday to Normal college where she is a student. There son, Warren, who is a senior at Iowa State university, was home also for 4 days.

Mrs. James Greer is a patient undergoing treatment in St. Francis hospital, Blue Island. From last reports, she is feeling some better.

Mrs. Gordon Doctor underwent surgery last week at Silver Cross hospital, Joliet. She is home and doing nicely.

GROWTH AND JOBS
Job stability and economic stability should not be confused. Steady and plentiful jobs can never come from economic stabilization of our economy—which has made it possible for our land to produce what we want, with much less working time than it took us a generation ago.

—O—
The case containing a ship's compass is the binnacle.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Attention Boys! Are you interested in becoming a news carrier for this section of Orland Township? If so please contact writer.

The home and lot owners of Laguna Woods held their April meeting last Tuesday in Orland Park. Name tags were given out for identification, resident wore orange colored name tags and lot owners wore green. Hostesses for the evening were Mrs. Frank Militello, Mrs. T. Verhagen and Mrs. J. Nelson, the ladies made coffee and served refreshments buffet style.

Surprise! A "Come As Your Are" coffee will occur sometime this month. The next Koffee Klatch will be held in May at the home of Mrs. George Carroll, date to be given later.

This is proof you don't have to attend a "coffee" to meet your neighbor in Laguna Woods. Mrs. Manos' met her neighbor to-be when her car bogged down in the mud in front of the house. William Snedden worked for half an hour and succeeded in freeing it.

The Sneddens and their two children, Dorothy and Gary moved into their home a week ago. Mrs. Snedden's coffee pot has already been initiated as several of the girls had met her before she moved in. The Lawrence Woodburys and the William Sneddens were friends before moving to Laguna Woods.

Our young neighbor, Raymond Cotter who is nine and a student at St. Michael school is one of the choir boys. He sang with the choir at mass on Holy Thursday, Good Friday, mid-night mass Saturday and eleven o'clock Easter Sunday morning.

Spring is here! Neighbors are busy planting—starting lawns, wherever there is a space for a tree one is planted, pines and evergreens are beginning to sprout where only oaks predominated. The John Tabberts and the Andersons worked side by side in their yards last Saturday raking and burning leaves (again) spreading black dirt, planting evergreens and other plants. The Tabberts have planted several peach trees in their back yard, "peach" preserves pretty soon Mrs. T.

Charles Harris attended an Easter Egg hunt sponsored by the Moose for the Cub Scouts of Chicago. Charles was a guest of Barry Thompson who is a member of a Chicago den. The eggs were numbered and prizes corresponding with those numbers were given out. Some of the children received bicycles.

Mr. and Mrs. Thomas Verhagen have returned from a 15-day trip to St. Petersburg, Florida. They flew there and rented a car after arrival. The first week of their vacation was lovely with 80 degree temperatures; the second week the mercury dropped 10 degrees due to the snows further up the coast in New York. The sun shined all 15 days, who could ask for a nicer vacation.

Mr. and Mrs. Paul Korggaard and family had as their guests over the Easter holidays, their daughter Mr. and Mrs. Raymond Vance, and children Richard, Linda and Laura, of Indianapolis, Ind.

Mr. and Mrs. Ronald Crisman had as their guests over the weekend, his parents, Mr. and Mrs. Wilson Crisman, of Oak Park. They entertained at an Easter dinner in their home Sunday, when guests were besides his parents, her parents, Mr. and Mrs. Harvey Frick and her sister, Mr. and Mrs. Evans Drotts of New Lenox.

Mr. and Mrs. William Malloy and children visited Easter with his parents, Mr. and Mrs. J. P. Malloy, and with her mother, Mrs. Vera Sullivan in Chicago.

Mr. and Mrs. Richard Pokorny and children George and Richard, Mr. and Mrs. Charles Leonard and children Kathy, Judy and Mark, and Mr. and Mrs. W. H. Pokorny, were guests at a family Easter breakfast in the home of Mr. and Mrs. W. G. Pokorny in Bedford Park.

Approximately 75 children turned out in Lincolnwood Hills Sunday morning for the Easter egg hunt that was sponsored by the Lions club. Mrs. Erwin Uhrhammer, Mrs. Bernard W. and Mrs. Earl Dieken, were on the committee who planned and took charge of the hunt. Prizes were awarded to Jeffrey Newman and Marcy Woodcock, in the pre-school age group; and Judy Owens, and Michael Newman received prizes in the grade school group. The hunt proved very successful and the children all had a good time. The Lions appreciated the donation of the eggs, from their wives, and all those outside the club who also donated.

Mrs. Vernon Newsome and infant daughter Jaclyn Ann have returned from Silver Cross hospital. Mrs. Newsome's grandmother, Mrs. Minnie Vock who spent 10 days here caring for

the family while she was in the hospital, has returned to her home in Chicago. Dinner guests Easter of the Newsome's were, his mother, Mrs. Helen Newsome, his aunt and uncle, Mr. and Mrs. William Kemperman of Chicago and his grandmother, Mrs. Vock.

Mr. and Mrs. Clare Newman and sons attended an Easter family dinner in the home of her parents, Mr. and Mrs. B. J. Shuldes in Chicago.

Mrs. Ed Hollenbeck and Bruce and Jane spent Easter with her brother, Mr. and Mrs. Charles Kraehmer and family in Chicago.

New Lenox Boy Scout troop 49, and its two Lincolnwood members, Bruce Hollenbeck and John Kooyenga are grateful to the many families here who aided them in their waste paper drive last Saturday.

The regular meeting of the Lincolnwood Hills Civic association will be held Wednesday night, April 11 at 8 o'clock at the Lincoln-Way high school. James Elmore, president, will be in charge. Final plans will be made for the ground breaking ceremony of the recreation hall April 15.

Schmuhl school district 121 will hold their election Saturday April 14 from 3 until 5 at the school. They will vote on one board director, and vote on a 71 percent educational tax levy in place of the 75 percent that they now have.

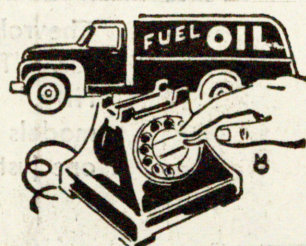

Mr. and Mrs. William Stoner entertained in their home Sunday at dinner, her parents, Mr. and Mrs. W. A. Provance, Mr. and Mrs. Fred Dameron, Jr. and Mrs. Ella Phillips, all of Joliet.

The Lincolnwood Hills Lions club met Wednesday night, March 28 in the Lincolnwood Drive-In for their regular meeting. Erwin J. Uhrhammer, president, conducted the business meeting and showed slides of the local fellows in action, when they were cleaning up the civic association park grounds, recently. Robert C. Taylor, was appointed song leader, and to take charge of the musical part of the program for their Charter Night banquet. Plans for the banquet to be held April 7 at 175th and Western were discussed. There was also a discussion on the new Cub Scout troop being organized, and Harold Wollenhaupt was appointed Cub Scout committeeman. The next meeting of the Lions will be held Thursday, April 12 at the Drive In.

Auto racing costs 30 lives and 43 critical injuries annually.

\$10,000 For Name of One Quint

Owners or feeders of livestock and poultry in this community are invited by New Lenox Grain Co. (at Spencer), local feed dealer, to enter a unique calf-naming contest in which prizes worth \$10,000 are offered for naming just one calf.

Pictured above are the world famous Wayne Quintuplet calves reaching for Calnup milk replacer that saved their lives and doubled their weight in just seven weeks. Born prematurely, weighing one-fourth normal, they have gained faster than average calves. Millions of people saw them on the "I've Got A Secret" television show. They will be exhibited at state fairs and expositions this season.

According to New Lenox Grain Co. \$10,000 in prizes are being offered for naming the bull calf in this group. The heifers are named Nola, Emma, Wanda and Anna. Altogether 203 valuable prizes are offered in this contest, including a Case 300 Tractor (plus a possible extra cash bonus of \$1,000); a Ford V-8 Pickup Truck; a Maytag Automatic Washer; 100 famous Sheffield Carving and Steak sets; and 100 Handy 8-piece Kitchen sets. Anyone owning or feeding livestock or poultry of any kind may enter this contest which closes June 15, 1956.

It's easy to enter - just get your free entry blank from - New Lenox Grain Co., at Spencer.

Mr. and Mrs. Paul R. Des Jardins and daughter Renee left Saturday for Wichita, Kansas after spending a week in New Lenox with her parents. Mr. and Mrs. Stephen Sergeant, 121 E. Elm st. They will fly to Long Beach, Cal. April 8.

New Lenox Toastmasters club met at a dinner meeting and pro-

gram April 2, at 7 p.m. in the Methodist church. Elmer Lawler was toastmaster and speakers were Sheldon Hauck, John Minion, Kenneth Tauber and Gerald Johnson. Topic master was Lloyd Berlin, and master evaluator was Lester Brown. Evaluators were John Burlingame, Stanley Gilmore, Lewis Loebe, and William Wilson. Ernest Hoefler presented the invocation and benediction. William Heidrich was timekeeper.

Evening Circle

A nominating committee comprised of Mrs. Glen Vally, Mrs. Harold Doering, and Mrs. Thomas Brown was appointed at the recent meeting of the Evening Circle of the New Lenox Methodist church. They will present a slate of officers at the April meeting.

During the business session conducted by the president, Mrs. Robert Brown, it was decided to have a "Come as you are breakfast" in April. The committee, Mrs. Warren Hair, Mrs. Herbert Nelson, and Mrs. Rowena Wolfinger are in charge of arrangements. Reports of the recent circle members were given and Mrs. Brown commended the circle members for their cooperation. It was announced that the WSCS would have a Spring breakfast at 10 o'clock Wednesday morning April 4.

Mrs. George Vally read an Easter story as the devotion for the evening. Mrs. L. E. Frey displayed and discussed a number of antique pieces including china glass, brass, and wooden collectors items. Among them was an old lamp with a flattened chimney and a place setting of the copper lustre tea leaf pattern in iron stone.

Guests were Mrs. John Francis, Mrs. Bert Brown, Mrs. Ronald Crisman, Mrs. William Penn and Mrs. Thomas Skene.

Refreshments were served by Mrs. Robert Banderob, Mrs. Doering, Mrs. Lloyd Berlin and Mrs. Eugene McGovney. Table decorations were in keeping with the Spring motif.

Howard Hutchin of the Hutchins Cleaners, left Monday for Billings hospital in Chicago, where he is under medical observation for a few days.

Mr. and Mrs. Ernest Pfeifer entertained at a family Easter dinner in their home. Guests were their children, and grandchildren. Mr. and Mrs. Harlow Jensen, and sons, and Mr. and Mrs. Roy Pfeifer and children.

Mrs. William Tibbatts, Ash street, who has been seriously ill for the past several days, is improving. Her daughter Mrs. James Campbell and family

have been staying with her and caring for her.

Miss Mary Ellen Wiltsterman has returned to Mt. St. Gertrude academy at Boulder, Colo., to resume her studies, after spending the Easter holidays here with her parents, Mr. and Mrs. Guy Wiltsterman and family, Oakview drive.

Mr. and Mrs. Clarence Wise and daughters had as their guests for Easter dinner, Mr. and Mrs. Herbert Folkers and Mrs. Dale Culickson, son of Mr. and Mrs. Clarence Gulickson.

Robert Zusage, son of Mr. and Mrs. Ted Zusage, and Sheldon Hauck, son of Mr. and Mrs. Sheldon Hauck have resumed their studies at the University of Illinois after spending the Easter holidays here with their families.

George Archibald has resumed his studies at St. Joseph's college at Rennsaler, Ind., after spending the holidays with his parents, Mr. and Mrs. Ivan Archibald and family.

The Misses Roselyn Wise and Carol Anderson have resumed their studies at Illinois State Normal university in Bloomington, after spending the holidays with their families, the Clarence Wise's, and F. T. Andersons.

The Cardinal 4H club will sponsor a square dance this Saturday night, April 6 at the Haven school auditorium, starting at 8 o'clock. There will be various kinds of entertainment, as well as a cake walk. There will be some free cake walks during the evening. Ann Terese Zusage is general chairman of the dance and the 26 members of the club, make up the committee in charge.

Mrs. LeRoy Lerchen and infant daughter, Marv Patricia have returned from St. Joseph's hospital at Joliet.

Plans are in progress for the annual Spring dinner April 15, as sponsored by St. Jude's Catholic church. Mrs. Clarence Wise and Mrs. Ray Reiter are co-chairmen. Sirloin of beef will highlight the menu, as it did last year and will be prepared by the ladies of the parish.

The bluebirds 4H club met March 29 in the Lions den. Mrs. Ivan Archibald, club leader told about the last meeting with the girls. Mary Lubway, treasurer, gave her reports and Kathy Greenman and Barbara Pemley demonstrated the making of date bars. Pam Pius, and Barbara Gall gave a demonstration on health and how to handle food. Judy Termunde demonstrated putting in a zipper, while Judy Martin demonstrated making a skirt. The next meeting will be held April 24 at 3:30 in the Lions den.

Members of Boy Scout troop 49 with their leaders, Robert Buckler and Ronald Whitaker, and Henry Engel, enjoyed a roller skating party Thursday night at Electric park rink in Plainfield.

Members of the Woman's Guild of Grace Episcopal church will have an all day sewing session today, April 5, in Silver Cross hospital. Cars are leaving New Lenox at 10 o'clock. Pot luck dinner will be served at noon.

The New Lenox village board will meet Wednesday night, April 4 at the fire station.

Mr. and Mrs. Len Anderson and Dotte, Dale and Don spent the holidays in Saugatuck, Mich. with her parents, Mr. and Mrs. A. W. Walsh.

Russell Gilmore returned Sunday night to Texas Christian university at Fort Worth, Texas, after spending the holidays with his parents, Mr. and Mrs. Stanley Gilmore and David.

The local VFW will meet tonight in the fire station. A daughter was born Saturday, March 31 to Mr. and Mrs. J. H. Sergeant, 331 Park drive. She has been named Patricia Marie and will be a playmate to Debbie and Johnny. Mr. and Mrs. Stephen Sergeant are the proud grandparents.

Morning worship 10:30 a.m.

ALPINE

Mrs. E. Mrosek
Fleldbrook 9-2841

Mr. and Mrs. Albert Cardeman and children spent the week end in Grand Junction, Mich., where they attended the funeral of his uncle, Victor Alfieri, Saturday.

Mrs. John Spitek of Friendship, Wis., was a guest of her daughter and family, Mr. and Mrs. Henry Felsch, Tuesday to Thursday.

Mr. and Mrs. Henry Felsch and family attended christening services of her niece, Karen Marie, daughter of Mr. and Mrs. Frank Spitek, in Kenosha, Wis., Palm Sunday. Mr. and Mrs. Felsch are Karen's god parents.

Being the leader of a young people's group has many satisfactions. Some of them surprising, as den mother, Mrs. John Cruise, learned Friday morning when Cub Scouts, den 5 of pack 218, took charge of her home and proceeded to give it a thorough cleaning.

Mrs. Cruise got an inkling that something was in the wind when her son, Jimmy, suggested she stay in bed extra late Friday morning for a needed rest. But she was wholly unprepared for what actually happened. The boys arrived early, and, paying no heed to Mrs. Cruise's protestations, went to work, scrubbing, dusting, vacuuming. Later when curious mothers called to ask if she had to do any of the work over, Mrs. Cruise, a bit flustered, replied, "Not a bit of it. You'd be surprised!"

Following their work out, the boys played baseball. Most of them expect to play Little League this summer. Present were: Pete Lohmann, den chief; James Nemeth, James Walker, Steven Koveikis, Bill Lohmann, Jimmy Cruise. Illness prevented Terry Donovan from taking part in the fun. Helping the Cub Scouts as sort of official dusters

were Pat Lohmann, Gary and Susan Cruise.

The next meeting of the Orland Boy's 4H club will be held at Maue school Monday evening, April 16.

Remember, there will be square dancing, sponsored by the Maue PTA, at the school Friday evening, April 6.

Bob Watkins, Tinley Park florist, will be the guest speaker at the next meeting of the Maue PTA which will be held at the school Wednesday evening, April 11. Mr. Watkins will speak about flowers and plants and will show how to make flower arrangements for the center of the table. Everyone is invited.

Mr. and Mrs. William Molter of Ullam, were Easter day guests of his sister and husband, Mr. and Mrs. Stuart Culp.

Dinner guests of Mr. and Mrs. Henry Felsch Easter were: his parents, Mr. and Mrs. William Felsch; her sister and family, Mr. and Mrs. Martin Mitchell, Joyce, of Chicago; Mr. and Mrs. Aaron Simrell of Alpine; George Powley and Jim Mitchell both of Toronto, Canada.

Judging from the reports that have been coming in almost everywhere has seen a Robin this past week and it is generally predicted that with a few more days of nice weather the grass will all be green.

The only tin mines in North America are in Alaska.

The speed of the modern ELECTRIC ranges!

25% faster than 5 years ago—

today—nothing cooks faster!

New French-door Oven is one of the "new idea" features offered by Frigidaire. Bottom shelf rolls out automatically when French doors open.

Today we're surrounded with all manner of wonders from our great electrical engineering laboratories. Color TV, Radar, High Fidelity photographs.

Yet perhaps one of the most useful advances has taken place right in the kitchen. New designs and new ideas have made today's electric ranges 25% faster than 5 years ago.

The new instant-heat surface units, for example, give you a jet-like surge of heat as soon as you turn one on. And newly perfected oven and broiler units give you the fastest preheating and broiling you've ever experienced.

If you are considering building or buying a home, or even remodeling your kitchen, see the new electric ranges. They come in a wide variety of decorator colors. And when you cook with an electric range your kitchen will be cleaner, cooler and more comfortable.

And, you'll find more of the exciting "new-idea" features in electric ranges than in any other kind. Learn how little it costs to own a new automatic electric range from dealers near you.

Big Saving—We Pay Part of Your Range Installation Cost!

Need new wiring to install your electric range? We share the cost with qualified home owners in 1, 2 and 3-family dwellings. This can cut your expense by about half.

And you get more than a money saving!

The modern wiring that goes with your installation helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

PUBLIC NOTICE

Notice of Proposed Changes in Schedules.

Commonwealth Edison Company and its Public Service Company Division hereby gives notice to the public that it has filed with the Illinois Commerce Commission on March 29, 1956, a proposal for revising its Fuel Adjustment Rider as contained in Schedules 9 and E-3, and Section No. 1, Ill. C. C. No. 4.

The Company is proposing, by the revision, to take into account changes in the rate of fuel consumption per kilowatt-hour when measuring the effect of fuel price changes on fuel adjustment charges or credits per kilowatt-hour. The following changes are also proposed: (1) to eliminate seasonal fluctuations, all fuel adjustment calculations would be made on the basis of 12 months rather than 6 month averages; (2) for simplicity in statement, the base fuel price, changes from which will be reflected in the fuel adjustment, would be reduced from 2.70143c per therm to 2.70c; and (3) to enable use of a single fuel adjustment in all billing during any month, the fuel adjustment charge or credit would be the same for all bills issued in the month rather than varying, depending on the month in which the Customer's service period ends.

Further information with respect to this change may be obtained either directly from the Company or by addressing the Secretary of the Illinois Commerce Commission in Springfield, Illinois.

A copy of the proposed change may be inspected by any interested party in any business office of this Company or of its Public Service Company Division.

PUBLIC NOTICE

Notice of Proposed Changes in Schedules.

Commonwealth Edison Company and its Public Service Company Division hereby gives notice to the public that certain revisions have been filed with the Illinois Commerce Commission on April 2, 1956, in Schedule 8-R, Information and Requirements for the Supply of Electric Service.

Paragraph 7.26 relating to Company participation in expense of providing adequate service entrance equipment for the connection of a 240-volt residential appliance has been liberalized.

Paragraph 7.26 referring to customer installed auxiliary transformers has been revised slightly to avoid certain technical difficulties which might be experienced under the presently effective provisions.

Further information with respect to these changes may be obtained either directly from the Company or by addressing the Secretary of the Illinois Commerce Commission in Springfield, Illinois.

A copy of the proposed changes may be inspected by any interested party in any business office of this Company or of its

Public Service Company Division.

NOTICE TO

HAROLD C. BERGGREN and ZOE E. BERGGREN, Owners, MRS. HAROLD C. BERGGREN, the person to whom last assigned, COUNTY CLERK OF WILL COUNTY, ILLINOIS and UNKNOWN OWNERS OR PARTIES INTERESTED IN SAID REAL ESTATE.

TAKE NOTICE that on August 2, 1954, Charles M. Hoffer and Beulah G. Hoffer, at a sale made in pursuance of a decree entered by the Circuit Court of Will County, Illinois in the cause entitled "The People of the State of Illinois vs. Harold C. Berggren, et al.", and numbered 56458, purchased the following-described real estate:

Lot 197, in West Plaza, a Subdivision of part of the West 1/2 of the West 1/2 of the South-west 1/4 of Section 5, in Township 35 North, Range 10 East of the Third Principal Meridian, according to the Plat thereof recorded September 2, 1925, in Plat Book 17, page 63, as Document No. 334223, in Will County, Illinois.

That there was included in the decree for which said real estate was sold general taxes for the years 1931 to 1952, both inclusive.

That the time of redemption from said sale will expire August 2, 1956.

FURTHER TAKE NOTICE that the purchasers have, this 12th day of March, 1956, filed a petition in the Circuit Court of Will County, Illinois, in Case No. 56458, praying that said Court order and direct the County Clerk of Will County, Illinois, to issue a tax deed conveying said above-described real estate to the purchasers, if said real estate is not redeemed from said sale in the time allowed by law.

You and each of you are further notified that if no redemption is made from said sale within the time allowed by law, the purchasers will, on the 4th day of September, 1956, at 9:30 A.M. or as soon thereafter as said petition can be heard, appear before his Honor James V. Bartley, Judge of said Court, or before such other Judge as shall be sitting in his stead, in the Court House at Joliet, Illinois, and apply for an order on said petition, directing that a tax deed conveying said real estate issue to the purchasers, at which time and place you may appear if you so desire.

Dated this 12th day of March, A. D. 1956.

Loughran Heads Demo Faction in April Primary

State Representative Francis J. Loughran, a Democratic standard bearer for more than 30 years, announces a complete ticket of candidates as his running mates in the primary election next April 10.

Rep. Loughran, completing his first two-year term in the state legislature, declared:

"This team of county and district candidates will lead the Democratic party to victory in November."

County candidates on the Loughran slate are: Raymond J. Harvey for state's attorney; Joseph E. Fitzgerald for clerk of the circuit court; Leo J. Mechar for recorder of deeds; Emery P. Stiglich for county auditor, and Ralph J. Papesch for coroner.

District candidates on the Loughran ticket are: Stanley Hubbs for representative in congress; Henry F. McCarthy and Conrad J. Wirth for delegates to the national nominating convention; W. Edwin Long and Thomas H. Wise, for alternates to the national nominating convention, and Robert F. Feeney and John P. Gleason for representative committeemen, known as senatorial committeemen prior to the reapportionment.

In seeking re-election, Rep. Loughran points out that he is the only lifelong Democrat seeking that office on the ballot. Loughran charges that his opponent John J. Clemens, Jr., is a registered Republican. The Democratic party, being the minority group, is entitled to one representative in the state legislature from Will county, while the Republicans have two.

The son of Mrs. Anna Loughran and the late Michael Loughran, the state representative was born and raised in Joliet. He attended St. Mary's Parochial school and Joliet township high school. He earned his law degree by switching cars at the Elgin, Joliet & Eastern Railroad while attending DePaul law school.

Rep. Loughran served as Democratic Central Committeeman

for 14 years, and was elected a delegate to the Democratic national convention in 1948. From 1948 thru 1952, he served as an assistant state's attorney of Will county, the only post in which he received a salary.

Married to the former Marie Dwyer, Rep. Loughran resides at 1220 Sterling ave., Joliet. The couple has four children.

A veteran of World War I, Rep. Loughran is a member of Harwood post, American Legion. Active in civic affairs, he is also a member of the Old Timers Baseball Association and other fraternal groups.

His present law associates are Attorneys W. Edwin Long, Dominic F. Boetto and Joseph E. Rymasa.

Suffering Can Be Blessing, Says Pastor

By Rev. Hugh Calkins
Pastor, First Baptist Church

How can a good God allow so much suffering in the world? This is a question people continually ask. And on Good Friday we get the answer. Christ, willingly tortured by pain, shows us that suffering isn't meaningless, that it can be a blessing and not a curse.

Suffering offered to God to make up for our sins, offered to Him for the sins of others, accepted as God's will and borne for love of Him—this is how

Christ who was both God and man gave meaning to pain.

Suffering can also be a key opening our souls to God, for it can make us aware of our need for Him. But too often suffering is a bolt locking Him out of our souls, for we fight against Christ and His Father for sending pain.

Then too, so many of us endure pain like Stoics. You know, the grin and bear it routine—instead of bearing it for God. And often we lose rich results from suffering because we waste hours analyzing why this happened to us, instead of accepting it as something God wants us to accept.

Many times we fritter precious pain away by blaming it all on other people. We forget that nothing happens except with God's permission, and that whatever God permits is for our good in some way.

When suffering comes it is easy to call God cruel. Yet we know sinful man produced Original Sin from which all other evils flow. What is true of the human race is true of each of us. We bring on our own crosses in many cases. Serious sins, foolish actions, stubborn self-will, laziness, mad pursuit of false goals—these create much of our loneliness, boredom and satiety. Pain always remains pain, of

course, no matter how lofty our motives for accepting and bearing with it. If we got too used to suffering, it would no longer be suffering. Our human nature revolts against it always.

We can't help feeling revolted by pain. But if we didn't dislike it, if it didn't bother us, there would be no sacrifice to offer to God.

God rewards us for patiently bearing suffering. He understands our difficulty. Accept in painful darkness whatever He sends you. Remember how Christ suffered without asking "why?" And suddenly the darkness of your Good Friday will turn into an Easter Dawn.

How to Act if Tornado Comes -- Don't Panic

Tornadoes, the most violent and spectacular storms produced by nature, are a menace to life and property, says O. L. Hogsett, extension safety specialist at the University of Illinois college of agriculture.

The zone of maximum frequency lies between the Rockies and the Atlantic. The "season" starts around the first of the year and lasts until late September.

Knowing what to do when you see a tornado may mean the difference between life and death. Here are a few suggestions from the Illinois Rural Safety Council.

Keep calm. It will not help to get excited. Tornadoes usually move in a northeasterly direction at 25 to 40 miles an hour. If one is coming toward you, move at right angles to its path. If there isn't time to escape, lie flat on the ground, facing down, in the nearest ditch or ravine, if possible, get into a culvert.

If you are at home and you don't have a cyclone cellar, the southwest corner of the basement usually offers the greatest safety. If time permits, shut off electricity and heating appliances.

To reduce damage to the building, open doors and windows on the north and east side of the house.

their own classmates.

Those representing the student body for next year are: seniors—Janet Feil, Beverly Lauffer, Beverly Jones, Jim Anderson, Ron Knakmuhs and Jim Waring; junior—Judy Edm. Wendell Anderson, Dave McGuire, Jim Stauffenberg, and Garrett White; sophomores—Norma Heidrich, Pat Bradley, Marilyn Savers, and Ron Steinberg. The freshmen representatives will be elected in the fall.

Science Open House

More than 350 people attended the Phi-Chem annual science night, March 23. Fifty-two science projects were exhibited by sixty-two science students. The projects were judged by William Schwab of Armour Research, Emmett Shepherd of Pure Oil Company, Mr. Donald Hopkins of Carl Sandburg, and Roy Janato of Rich Township High School.

Projects were rated against a standard first, second and third and honorable mention classes according to the knowledge gained, the effort exerted, presentation, originality and scientific approach.

First place awards were presented to the following people for their projects: Leroy Bitner—musical light; William Bolker—hydroelectric power plant; Ralph Eisenbrandt—multi-channel intercommunication system; John Fish—model of Elizabethan architecture; William Hathaway—squirrel skelone; Everett Hauck—petroleum of today; William McCormick—manufacture of coffee pills; Allan Mager—manufacture of aspirin; John Weber—rayon and also stereophonic sound.

Rudy Guzik received an outstanding award for his work on electrophoresis. The project showed exceptional application of scientific method.

During the judging parents and friends were invited to watch movies in the library.

Every student received a certificate presented by the Phi-Chem Association for their project efforts. Jim Cooper, president of the association, presented the awards.

The Phi-Chem members would like to thank those persons who attended for their wonderful support. Many will be eager to return again next year when science night rolls around in the spring.

Candy Sales

Jim Cooper president of the L-W band, presented a check for \$450 to the Band Boosters for the uniform fund on March 22. The check represented the profits from the recent candy sales.

Mr. Taylor, director, said he was well pleased with the way in which the citizens of the school district accepted the candy sales. The band is grateful to everyone for their support of this project.

Band Members Entertain
Members of the L-W Band entertained at the meeting of the Band Boosters on March 22. Soloists were: Diane Batson, oboe; LaVerne Ullrich, tympani; Charles Hammond, baritone; Rolland Jedick, B-flat clarinet; Jim Waring, B-flat clarinet; Paul Schuh, flute; Rudy Guzik, and Jim Stauffenberg, baritone bassoon; Dave McGuire, piano; saxophone. Ensembles were: a sax quartet, a clarinet quartet, and a brass quartet.

Members also entertained at assembly on March 23. They were: a woodwind trio; Bill McCormick, snare drum solo; a drum quintet; Larry Pfeiffer baritone solo; Rudy Guzik, Piano solo; Ron Steinberg, alto sax solo; and a brass quartet.

G.A.A.

This spring the girl's physical education department will be busy with their new program, over-night campouts, and the tryouts for the varsity cheerleading squad and Rhythm Knights.

The new gym program consists of a variety of activities and sports. One of the activities the freshmen have just started is modern dance. Through dancing, each girl will have a chance to express and develop her own ideas. As they progress they will compose their own dances. Recreational games, softball and archery have also been added to the G.A.A. program.

The sophomores are having special dancing two days a week and volleyball three days a week. The class is divided into groups and each group will have a different dance assigned to them. Each group will gather information on that dance and then present it to the rest of the class. In volleyball, they will first learn the fundamentals and then go into tournament play. They will also have square and modern dancing, softball, and a variety of party games.

The juniors will be having softball and modern dance. They will spend some time in body mechanics learning how to handle the body efficiently. They will also have a chance to practice the correct way of sitting, walking and standing.

The seniors have already started their program of recreational games which include such activities as: badminton, checkers, pool, quoits, shuffleboard, table tennis, and tennis. Along with recreational games, the seniors will be working on the trampoline. As each girl develops her skills in the fundamentals, she will be given the opportunity of advancing into the different stunts. Other sports in which they will participate are field hockey, field and track, and softball.

During gym classes this spring there will be a unit on camping which will teach the girls about camp life and the duties of a

good camper. Every girl taking Physical Education will have the opportunity of taking part in an over-night campout. These campouts will give the girls a chance to see just what out-door life is like. The camping trips will be held April 27 for the freshmen, May 4 for the sophomores, May 11 for the seniors, May 25 for the juniors. The first over-night trip on April 21 will be to orient those girls who will act as camp assistants and leaders for the other campouts.

April 11 is the day the tryouts will be held for the Rhythm Knights. These girls are judged on their ability for rhythm and following directions. In the past, the Lincoln-Way marching and dancing drill squad has added color to the school's football and basketball games.

On April 18, after school, tryouts will be held for next year's varsity cheerleading squad. Some of the things these girls will be selected for are: rhythm, co-ordination, balance, and the amount of spirit that they put into a cheer. Anyone who is interested in seeing how the girls are selected are welcome to attend the meeting.

Number Lover's Corner

Answers to last week.

1. The something Swanky problem is simply a magic square with the columns adding up to 150 as the wording implied and who cares what Koldar is anyway?

2. 1,154 sq. 3x5x7x11-1.
3. Sally's age is 22 years and 8 months.

Try these.
1. There was a wedding one day recently which had some confusing results. The father of a young woman became her husband's brother-in-law and her husband's sister became her step mother. How did this happen?

2. THE TWO STEEL RAILS.
Imagine two steel rails, each exactly one-half mile long, joined end to end. Together, they measure exactly one mile or 5,280 feet in length. Their two ends are securely fastened to the earth. One day the heat of the sun expanded them 12 in. and, since their ends were fastened down, the expansion made them buckle at the point where they joined. How far off the earth did they buckle?

3. BORJUMS
The Borjums always arrange themselves in group of four, according to their weight, with the lightest on top and the heaviest on the bottom.

It is impossible to see more than two of them at a time, or to determine whether these are next to each other or separated by one or more Borjums of intermediate weight. However, six definite facts have been established by scientific observation as follows:

1. The Sketa-Borjums are always lower down than the Pigm.

2. The Kamma-Borjums are

always higher up than the Sketa.

3. The Pelta-Borjums are always lower down than the Kamm.

4. The Pigm-Borjums are always higher up than the Pelta.

5. The Pelta-Borjums are always lower down than the Sketa.

6. The Kamma-Borjums are always higher up than the Pigm.

Write the relative positions of the four different kinds of Borjums below, starting with the lightest as No. 1.

1.
2.
3.
4.

What is the least number of the above facts actually necessary to fix the exact positions of the four Borjums?

Law On The Farm

By Norm Krausz

The Illinois inheritance tax places a premium on large families, since each heir has a separate exemption—and the exemption is much larger for members of the family than for persons outside the family. The tax is paid on the amount left to each heir out of the estate.

The net estate is obtained by taking gross assets and subtracting such items as funeral expenses, taxes, debts of the estate and probate administration expenses. Also, gifts to charities, churches, and educational organizations are exempt from the inheritance tax and can be deducted from net estate.

The gross estate includes all personal and real property, including lifetime gifts made within two years of death. The law presumes that such gifts were made in contemplation of death and another effort should not escape the inheritance tax. Accidental deaths often overcome this presumption.

Life insurance proceeds are included in the estate unless paid to the estate of the deceased. That is, if a member of the family or other person is the beneficiary, no tax applies to the insurance that is paid.

Only one-half of joint tenancy property is included in the estate. This is different from the federal tax rule, which includes all joint tenancy property in the estate unless the survivor can show a contribution to the purchase price.

Both the rates and the degree of relationship to the deceased person. Rates of tax start at 2 percent and reach 30 per cent. Exemptions vary from \$20,000 to \$100. The example below shows the tax on different persons receiving \$50,000 and \$100,000.

	Receiving \$50,000	Receiving \$100,000
Heir	\$ 600	\$ 2,200
Wife	600	2,200
Son	600	2,200
Brother	800	2,600
Aunt	3,506	8,740
Friend	5,588	13,584

Tips on Traffic Safety

By CHARLES F. CARPENTIER
Secretary of State

The recent session of the Illinois Legislature made two changes in the law regulating the driving of a vehicle when approaching a school bus.

In the past all motorists approaching from the front or rear of a stopped school bus taking on or discharging children were ordered by law to bring their vehicles to a stop. This included vehicles approaching from the opposite direction even when driving upon a divided highway. This section of the law has been changed to allow drivers approaching a school bus upon a divided highway to continue on without bringing their vehicles to a stop.

Another important change in the law particularly affects nighttime driving. Under the old law a school bus was defined as one "operated for the transportation of children to or from school." This has been changed to read as one operated "for the transportation of pupils in connection with any school activity."

Whereas in the past school buses were given special protection only when taking pupils to and from schools, they now are granted added protection when transporting pupils on such extra-curricular activities as out-of-town athletic events, band contests, and visits to museums and historical points of interest. A motorist must now recognize a vehicle as a school bus at any time during the day or night, week days as well as week ends and holidays and during all months of the year.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

emptions, a return must be filed with the county clerk within 16 months after death, and the tax is payable by the estate within 18 months. For more detail on this tax, pick up Circular 728 at your adviser's office or send a request to the College of Agriculture at Urbana.

instructions directly to the enrollees.

Specialists H. G. Russell, G. R. Carlisle and D. E. Walker will teach at the schools. They will furnish all equipment. Each school will start at 9 a.m. on the first day and be dismissed by 3 p.m. the second day.

Now Ag. College Has Course on Sheep Shearing

Extension livestock specialists from the University of Illinois college of agriculture will hold their annual sheep shearing schools starting April 3.

Two schools are scheduled for the Dixon Springs Experiment Station near Robbs in Pope county. The first will be held on April 3 and 4, and the second on April 5 and 6.

Deep Valley, Fatt, Fulton county, will be the location of the third school on April 9 and 10. The fourth school will be conducted at the George Brishin farm, Plainfield, Will county, on April 12 and 13.

Anyone who is interested in attending one of these schools should contact his county farm adviser, who will send the enrollment to the college. The specialists will then send school

YOUTH SPEAKS

Hobby Show
By Lynda Nelson

Mrs. A. Schellhase's room held a hobby show March 20. It was part of their English work. Many girls brought dolls, but one of the most interesting exhibit was Lee Hopman's dolls from different nations. Some of the unusual hobbies were: fans collected by Virginia Grite, Nancy Fulton's hand-made rugs, Sharon Benbow's scrap book of movie and television stars, John Freiburger's exhibit of model airplanes, Neil Cleveland's and Chris Floor's collection of trains. Mrs. Schellhase displayed her collection of salt and pepper shakers.

In their art class the students made an exhibit of different means of transportation out of clay.

Three new students entered the Tinley Park School recently. Diane Bennett transferred from the Parloski School in Chicago. Bonnie Misner came from the Simmons Elementary School in Oak Lawn, and her brother Gerald from the Columbus Manor School also in Oak Lawn.

Bert Fulton School
By Marlice Gung
Mrs. Phillips' Room 113

The room has a Chinese and Japanese Museum, which includes a bamboo pole, an incense burner, some chopsticks, a writing pen, some tea mugs, Chinese tea, a fan, some Chinese

vases, figurines, shoes and newspapers, and also some lattice work windows the children made. The children are going to write stories about China.

The class had a Cacrapia Moth which came from its cocoon, laid some small speckled eggs, and then died.

The class visited Mrs. Prokop's room to see their Indian display.

Mrs. Lankenau - Room 114

The class is busy decorating hollow egg shells which will be hung on "The Egg Tree". The tree will be about the size of a Christmas tree, it will have bare white painted branches to represent birch. The girls are making Dutch caps with Pennsylvania Dutch designs on them. They will be used during the assembly program which will be held on March 28. The class will pantomime "The Egg Tree" and they will do several Dutch dances and songs around the tree.

The class is making reports on Pierre and Marie Currie and their contributions to the world of science. Also, several maps of France have been made. At the end of the unit they will write the questions.

John Heinzen has a birthday this month.

Community Planning Committees

The chairmen of the Community Planning Committee wish to give credit to the following committee members: Small Industries (Chairman) Bill Cassell, (committee members) Harlen Bettenhausen, Louis Dini, Bill Lovegren, Claude Wolf and Marilyn Jensen. Shopping Areas (Chairman) Bonnie Bettenhausen, (committee members) Bob Dagenais, Shirley Brandriff, Judy Gray, Sharon Haase and John DeVolk. Fire Protection (Chairman) Lynn Lehmann, (committee members) Ann Hopman, Cindy Hasking, Howard Wehr, Peter Dolk, Linda Hollowell and Frank Smutny. Police Protection (Chairman) Barbara Brown, (committee members) Louis Manke, Nancy Macivkanes, Jeanette Baily, Wayne Dale and Barbara McGutchen. Transportation, (Chairman) Jean Rizzuti, (committee members) Darlene Howie, George Klaus, Jeanette Johnson, Deanne Nugent and Rose Marie Spinnetta. Park Facilities, (Chairman) Bette Bechstein, (committee members) Pat O'Neill, Lana Bettenhausen, Carol Townsend, Ann Hunzinker and Richard Puffer. Recreation, (Chairman) Jill Hollingshead, (committee members) Louise Bettenhausen, Sandra Henke, Mike Johnson, Linda

Held and Susan Schullien, has alcohol in the radiator. This tractor will show you why there were 269 tractor accidents in Illinois in 1955. It gets stuck, tips over, and kills all hitch hikers that try to hitch a ride on it.

O. L. Hogsett, safety specialist at the University of Illinois will pull the strings on the tractor. Wendell Bowers, farm machinery specialist at the University of Illinois will help adjust the plows.

The performance will be at 1 p. m. on April 2 on the Harlow Nicholson farm.

Gasoline Powerful Stuff, Expert Warns

There's a lot more to filling a tractor—and doing it safely—than just pouring in the fuel, says O. L. Hogsett, extension safety specialist at the University of Illinois College of Agriculture.

Whenever gasoline comes in contact with air, highly explosive vapors are formed. A pint of gasoline mixed with air has the power of nearly 11 pounds of dynamite. Handling gasoline carelessly—overfilling the tank or spilling the fuel—increases the chances of a dangerous and costly explosion and fire.

Gasoline vapors are three times heavier than air, and they are invisible. This makes it important to have your tanks outside of buildings so that fumes cannot collect in large quantities.

Always shut off your tractor engine before fueling, and take special care not to overfill the tank. If you do spill gasoline on the tractor, wait at least 10 minutes before starting the engine so that the gasoline will have time to evaporate.

Why let things burn that you worked so hard to earn?

Here's Opportunity To Get Scholarship

High school seniors and graduates in each county will write competitive examination for tuition scholarships to the University of Illinois on Saturday, April 28.

C. D. Smith, assistant dean of the college of agriculture at the University, says you do not have to apply in advance to write this examination. All you have to do is contact the county superintendent of school in your county. He will give the examination on April 28.

Dean Smith says each county in Illinois has two full tuition scholarships to award each year.

By Lynda Nelson

Magazine Drive Results
The Tinley Park School had its annual Magazine Drive starting Feb. 3, ending Feb. 16. The goal was \$3,000.00. The students not only reached their goal but they brought in \$3,311.38.

Ronnie Elmore brought in more money than any other boy. Judy Blitwich was the high girl of the school. Second high boy was Mike Goble, second high girl was Mary Kluge, Room 201. Mr. W. J. Kostocki's room was the high room of the school.

School News - Bert Fulton

School
The students of Mrs. Hillenbrand's room, 102 were busy preparing for Easter. They presented a play called "Tommy's Dream." All students in the class had a part. The play told about the seasons of the year.

In room 104, Mrs. Hall and the children made large white Easter rabbits and baskets. They also made an Easter Egg tree. The Easter bunny will surely visit here.

Ricky Kark - Grade 6

Will Show How Tractors Kill

Will County farmers will have an opportunity to see a "bucking tractor" on April 2 on the Harlow Nicholson farm. This farm is located on the Manhattan-Elwood blacktop about a mile west of Manhattan.

"Here's what you will see on April 2. A Contour plowing demonstration, showing how to plow on the contour, how to cover corn stalks to help reduce corn borers, how to adjust a plow for best operation. We plan to have a fire fighting demonstration too. The gate attraction will be the tractor that

one in agriculture and one in home economics. Each covers tuition for the regular four-year course in the College of Agriculture.

Amnesty is a general pardon for crimes against the government. Napoleon died on the Island of St. Helena.

ON THE RECORD

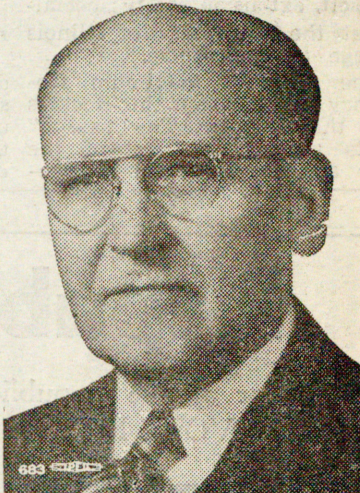

In the last 12 years we in America have enjoyed over 95 per cent of full employment, an astounding degree of prosperity, and the highest standard of living in the history of the world. And, along with all that—the highest degree of security with which a free people ever was blessed.
